Dear Sir / Madam,

I refer to the Planning Inspectorate's notification email dated 6th October 2015 advising that Option B, affecting the location of the proposed poles which affects the limits of this scheme, is to be considered alongside Option A.

The supporting information has been examined and Network Rail has no representations to make in respect of Option A or Option B which do not appear to impact upon land within the ownership of Network Rail.

Regards,

Helen Hodgson MRTPI
