Hello,
In response to a proposed wood pole power line that we are proposing in Denbighshire, North Wales, I have been asked to contact you to discuss a response from the CAA (see link below). I have emailed Mark Wakeman from the CAA but see that the CAA response points me in your direction.

I'd be grateful if someone at NATS can please contact me via email or preferably phone (07793 980975 / 0141 614 5656) to discuss.

Regards

Steven
