1 INTRODUCTION

- 1.1 This document is the Schedule of Variation to the Book of Reference (**Document 3.3/APP-010 to APP-014**) and is submitted alongside section 59 of the Planning Act 2008 certificate of compliance which is attached to **Document 10.1**.
- 1.2 The purpose of this document is to show what changes in land interest have occurred since the the Book of Reference was submitted on the 7 September 2018 as part of National Grid’s application for a development consent order.
- 1.3 The table showing these changes commences on page 3 of this document and informs the reader in the fifth column the reason (‘Change Made’). A more detailed explanation of what these descriptions mean and the outcome of what happens to the Book of Reference is shown in **Table 1.1**.

Table 1.1 – Explanation of Descriptions used in the Schedule of Variation

Change Made Description	Explanation	Outcome
Added New Interest	An existing Person with Interest in Land (PIL) has been added to more plots due to new information provided since the Book of Reference (BoR) submitted on the 7 th September 2018.	PIL will be present in more plots within the BoR.
Changed Interest Qualifier	The qualifier given to a PIL interest e.g. ‘in respect of rights granted by deed dated 30/11/2018’ has been removed or modified due to new information provided since the BoR submitted on the 7 th September 2018.	No change to presence in BoR, other than details provided for PILs interest in the BoR.

Change Made Description	Explanation	Outcome
Changed Interest to Historic	A PIL has provided new information regarding their own or another PILs interest in the land. Stating the PIL no longer has an active interest within that land parcel and its corresponding plots.	Removed from specific plots in BoR however PIL may still be present in other plots within BoR.
Changed to Deceased	Through new information provided since the BoR submitted on the 7 th September 2018, often from family members, it has been confirmed that the PIL has died and no longer has an active interest in the land parcel and corresponding plots.	Removed completely from BoR.
Excluded in Plot	The PIL interest has been removed from the specific plot due to new information provided since the BoR submitted on the 7 th September 2018, but retained as current within the overall land parcel.	Removed from specific plot in BoR.
Merged with contact	Through new information provided since the BoR submitted on the 7 th September 2018, it has come to light that two PILs are within a land parcel and its corresponding plots are in fact the same individual.	Duplicate PIL removed from BoR.
New Contact	Due to new information provided since the BoR submitted on the 7 th September 2018, there is a new PIL who previously wasn't captured in the BoR.	Added to BoR.
