**9<sup>th</sup> November 2015**

Dear Sir

**Brechfa Forest Connection (EN020016)**

**Our reference: BFC-OP0001**

Please note we have sent by separate e mail our representation in respect to the above development and supporting appendix A and B and summery text and correspondence received from WPD.

In respect to the procedure we reserve the right to speak at the specific December hearing, the open floor hearings and the compulsory purchase hearing. We also like to attend an accompanied site inspection.

Suggestion for location: [REDACTED], Alltwalis and the justification for this is the number of poles (14) and the high visual impact this scheme will have if constructed over ground.

Regards  
Bryan and Yoka Killkelly
