Dear Ms Olaitan,

Application by Western Power Distribution for the Brechfa Forest Connection

I apologise for the delay in replying to your e-mail.

As you requested I am writing to let you know the dates of the hearings at which Grwp Blaengwen would like the option to make an oral representation.

These are:

Open Floor Hearings: Mon30th Nov and/or Tuesday 1st December 2015

Issue Specific Hearing: Tues 8th December continuing on Wednesday 9th December 2015

There are likely to be up to 5 members attending on behalf of the Grwp – there may be others who will have applied to attend in a personal capacity but who are also members of the Grwp.

The names of those who are the usual 'spokespeople' who might speak on behalf of the Grwp are:

Lyn Morris (Secretary)

Robert Jones (Chairman)

Olwen Davies (Committee Member)

Ted Marynicz (Committee member)

We will not all require a time-slot. Having made a written submission we do not see any merit in repeating what we have already said and taking up valuable time. We hope that the Inspector will refer to our written submission.

We will only wish to speak if:

- the Inspector would like us to 'introduce' an item by referring to the relevant issue in our written submission
- we feel the issues and queries we have raised are not adequately addressed and resolved during the proceedings
- discussions at the hearings lead to further queries
- new issues come to light between now and the appropriate hearing

We hope this helps you with the structuring/agendae of the hearings.

Yours sincerely,

L R Morris

Ms L R Morris
Secretary Grwp Blaengwen
On behalf of Grwp Blaengwen members.
