Dear Mrs King

In response to the Inspector's request to be informed by Land Owners of corrections to the Updated Land Owner Engagement Table February 2016, 9.18.1.

In addition to the omissions which I have provided in my submission of 16th February, please see below additional corrections to the document.

Correction relating to all entries on Bjp's clients -

Reference to a meeting conducted with Agent by BK to review **Agent's** objection to Heads of Terms 07.12.15

Should Read - Reference to meeting conducted with Agent by BK to review **Land Owner** objections to Heads of Terms

Land Owners point out that it was not the Agent's objection to the Heads of Terms, it was their objection, the Agent was representing the Land Owners

All Land Owners were provided by Bjp with the opportunity to sign the revised Heads of Terms, but all without exception declined.

Entry Number 41

Mses DS, AJ & Mr MP Reed

Miss D Reed has requested that to reflect her true attempt at engagement with WPD reference should be made in the table to the four pre-arranged meetings, to scope out a safe route avoiding her bee hives, which were cancelled by WPD, 06/10/1, 20/11/15,04/12/15 & 08/12/15.

Entry Number 53

Mrs DA Davies

No reference is made in the entry to the letter Mr & Mrs Davies wrote to WPD on 30th January 2016, regarding their concerns relating to their spring and a new proposed access route.

No reference is made to their subsequent letter to WPD of 10th February 2016 on the same matter

A letter in response was received by the Davies' on 16th February 2016, the content of which they describe as "not making much sense of the issue"

Thank you for your attention to this.

Yours sincerely

Diana Reader
