Dear Mr Broderick,

The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rule 8(3) and Rule 17

Application by Western Power Distribution (South Wales) plc for an Order Granting Development Consent for the Brechfa Forest Connection

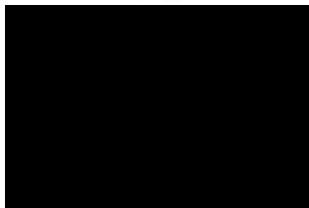

Request for information from the Applicant, Western Power Distribution (South Wales) plc

Please find enclosed official copies of Land Registry title registers and title plans for titles numbered CYM574032 and WA837936.

The Applicant wrote to Mr & Mrs Shaw on 15 February 2016 to ascertain whether they hold an interest or are aware of a separate party with an interest in plot C163, an unknown plot in proximity to the land of Mr & Mrs Shaw and await a response.

At present the Applicant has no evidence to show that Mr & Mrs Shaw fall within the categories set out in Section 102B of the Planning Act 2008. Subject to any evidence being received which confirms that Mr & Mrs Shaw do fall within those categories, the Applicant will inform the Examining Authority and the Book of Reference will be updated accordingly.

Yours sincerely

Andrew Hubbard

Western Power Distribution
