Ref ENO 20016 BFC AFP031 REED Property

Hello Mrs King,

With reference to our conversation this morning I would like to update Mr Broderick and yourself of the current situation with our property etc. Bruton Knowles have sent a new map for the Hots which is more reasonable. I have therefore asked for a meeting with them and Mr Jones, (we have never had any meetings with them or Wpd) to discuss this last correspondence we have received and hopefully we will have positive results from this.

With thanks

Dawn Reed
