Subject: Brechfa Connectin Project [OC-OC_UK.FID2191645]

Giles,

Per our conversation earlier and your letters dated 18th and 25th August:

- Please could you consider an extension to the 2nd September deadline for the submission of revised documents. We would like this for a number of reasons. We wish to consult Counsel on the letter and he is on holiday until the 5th September. We also have two versions of the DCO and documents to amend and bearing in mind the bank holiday and the holidays affecting the availability of the project team, an extension to Friday 9th September (one week) would be appreciated.
- Please could you clarify with specific details the inconsistencies that you have highlighted in the submitted Works Plans. The letter notes that these relate to the legends but please could you point out the specific issue which will assist our team to make those changes as soon as possible. Bearing in mind the bank holiday it would be helpful if we could also extend the deadline for submission of the documents requested in your letter of 25th August by one day to Friday 9th September to align with our requested extension as above.

I would be very grateful if you could come back to me on this request as soon as possible.

Thanks
