Dear Ken

Planning Act 2008 (as amended) – Section 55

Application by National Grid for an Order Granting Development Consent for the Richborough Connection Project

Request for consultation responses

We received the above application for an order granting development consent on 14 January 2016.

Under regulation 5(5) of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (as amended), the Planning Inspectorate requests 'all responses' to the consultation carried out under Part 5 of the Planning Act 2008 (as amended). It would also be helpful if you could send us evidence of the addresses the consultation requests were sent to.

This information should be sent to the Planning Inspectorate, at the above address, **by Tuesday 26 January 2016.**

If you have any further queries, please do not hesitate to contact us.

Yours sincerely

Chris White

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the National Infrastructure Planning website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
