Dear Mr White,

I am E-mailing you further to a letter that was sent to us from Frances Fernandes inviting us to a Preliminary Meeting for the Richborough Connection Project on the 8 June 2016.

I confirm that from Dover District Council perspective, myself (the Policy and Projects Manager) and Fiona Runacre (Principal Planning Officer) would like to attend the Preliminary meeting as we have both be involved and working with National Grid on the project for a number of years.

We would like to briefly speak at the Preliminary meeting - just to outline to the Inspector our outstanding concerns regarding the project and hopefully, gain some clarification from the Inspector about when certain issues might be discussed so that we can ensure that the suitable Officers would be available to attend relevant days of the hearings.

Kind regards,

Adrian Fox
