Re 3 Sandhurst Close Canterbury

Hello – Thank you for sending information about planning for the new Richborough Connection Project.

We welcome all developments concerning this, because it will remove the power lines from above our property. We do not need information about planning, so please remove us from the mailing list.

We are only concerned if the removal operation directly concerns us or our property, e.g. if you need access. (The property is tenanted, however).

Many thanks,

*Christopher Thatcher
