

Application by National Grid Electricity Transmission Plc for an Order granting Development Consent for the Richborough Connection Project

Planning Inspectorate Reference No: EN020017

Representation No. 14

Index of Appendices to South East Water's Written Representation

No	Document
1.	Email from Affinity to SEW regarding bulk supply from Reservoir
2.	Extracts from WRMP14
3.	Extracts from Statement of Response to WRMP14
4.	Relevant extracts from the Regional Spatial Strategy and the existing and emerging Canterbury City Council Local Plans
5.	SEW's representations to Canterbury City Council in respect of the Emerging Plan
6.	Letter dated 29 September 2014 from SEW requesting meeting with the Applicant
7.	Broad Oak Feasibility Layout [plan]
8.	<p>Jacobs Stage 1-4 Concepts and Summary Reports</p> <p>8.1 Stage 1 Concepts Study – "Broad Oak Storage Reservoir, Design note for preliminary layout design"</p> <p>8.2 Stage 1 Concepts Study: Appendix A [plan] – Broad Oak Reservoir Indicative Layout B1400058/BROADOAK/01</p> <p>8.3 Stage 2 Concepts Study – "Broad Oak Storage Reservoir, Landscape, Ecology and Recreation Briefing Note"</p> <p>8.4 Stage 2 Concepts Study: Appendix A [plan] – Broad Oak Concept Plan B14/00058/BROADOAK/2</p> <p>8.5 Stage 3 Concepts Study – "Broad Oak Storage Reservoir, Concept Plan Stage 3, Landscape, Ecology and Recreation Briefing Note"</p> <p>8.6 Stage 4 Concepts Study – "National Grid's Route Option Implications for Broad Oak Reservoir"</p> <p>8.7 Stage 4 Concepts Study: Appendix A [plan] – Broad Oak Concept Plan B14/00058/BROADOAK/2</p> <p><i>(This appendix also forms appendix 8.4)</i></p> <p>8.8 Table summarising impact on Broad Oak Reservoir Concept Plan and Vision</p>
9.	<p>Jacobs Stage 1a Report</p> <p>9.1 Jacobs Stage 1a Report, Appendix A: Aquatic Ecology Report</p> <p>9.2 Jacobs Stage 1a Report, Appendix B: Extended Phase 1 Habitat Survey Report</p>

No	Document
9.3	Jacobs Stage 1a Report, Appendix C: Stage 1a – HYSIM Modelling Study
9.4	Jacobs Stage 1a Report, Appendix D: Geomorphological Assessment
9.5	Jacobs Stage 1a Report, Appendix E: Environmental Constraints Report – Cultural Heritage
9.6	Jacobs Stage 1a Report, Appendix F: Geo-environmental Desk Study
9.7	Jacobs Stage 1a Report, Appendix G: Drawings and Concept Report
9.7.1	Broad Oak Reservoir Concept Plan Stage 3 Baseline, B1400058/BROADOAK/3/1
9.7.2	Initial Stream Route Alignment Drawing, B14000AG/BORSTUDY/1008
9.7.3	Initial Stream Route Alignment Drawing, Tree Plant Buffer Zone, Figure A, B14000AG/BORSTUDY/1009
9.7.4	Initial Stream Route Cross Sections, B14000AG/BORSTUDY/1010
9.7.5	Broad Oak Reservoir, Pipeline Routes, Terrestrial Ecology, B14000AG/BORSTUDY/502
9.7.6	Broad Oak Reservoir, Water Pipelines, B14000AG/BORSTUDY/503
9.7.7	Broad Oak Reservoir, Pipeline Routes, Landscape & Public Recreation, B14000AG/BORSTUDY/504
9.7.8	Broad Oak Reservoir, Pipeline Routes, Flood Risk Land Grade Pollution & Cultural Heritage, B14000AG/BORSTUDY/505
9.7.9	Proposed Stream Diversion, Corridor Planting Strategy, B14000AG/BORSTUDY/604
9.7.10	Proposed Stream Diversion, Corridor Planting Strategy Considering NG Pylon Proposal, B14000AG/BORSTUDY/605
9.7.11	Location Plan, B14000AG/BORSTUDY/710
9.7.12	Geological Section 1-1, B14000AG/BORSTUDY/711
9.7.13	Geological Section 2-2, B14000AG/BORSTUDY/712
9.7.14	Geological Section 3-3, B14000AG/BORSTUDY/713
9.7.15	Geological Section 4-4, B14000AG/BORSTUDY/714
9.7.16	Geological Section 5-5, B14000AG/BORSTUDY/715
9.7.17	Geological Section 6-6, B14000AG/BORSTUDY/716
9.7.18	Broad Oak Storage Reservoir, Concept Plan Stage 3, Landscape, Ecology and Recreation Briefing Note (this appendix also forms appendix 8.5)
9.8	Jacobs Stage 1a Report, Appendix H: Pipeline Routing Review, Data Sources Summary
