Dear Lee

I am writing to follow up on my previous attempt to set up a meeting to discuss the potential interactions between the proposed Reservoir at Broad Oak, Canterbury and the Richborough Connection Project.

I note that South East Water did not submit a representation to our recent consultation. As previously discussed it is very important to us to meet with you to discuss details of the projects and to work with you moving forward.

We would be available on the following dates for a meeting 23<sup>rd</sup> September, 27<sup>th</sup> September, 2<sup>nd</sup>, 7<sup>th</sup>, 8<sup>th</sup>, or 11<sup>th</sup> October.

Please could you let me know as soon as possible if you would be available to meet on any of the dates identified above, or indicate to us an alternative suitable date.

Kind Regards

**Emer McDonnell**

Hi Lee

I was wondering if you have been able to check your diary for a potential meeting next Tuesday, otherwise could you let us know when you may be available.

Look forward to hearing from you.

Kind Regards

Dear Lee

I have looked at our diaries and I was wondering if Tuesday 20<sup>th</sup> August would be a suitable date. It would be Paul Sage from our lands team, Steve Self the project manager and myself that would come to meet with you.

Kind Regards

Dear Emer,

Thank you for sending through the plan. It would be very helpful to hold a meeting to discuss the interactions between the two projects. Would you be happy to provide some dates in August?

Many thanks  
Lee

Dear Lee

It was nice to meet with you at our event on Monday. As discussed please find attached a copy of a plan showing our route corridor options in the Canterbury Area as shown as part of the consultation and also including on the plan the footprint of the reservoir as provided by you.

It would be helpful if you could confirm if the layout is correct and whether you can provide any further details on the proposed reservoir.

I think it would be helpful to arrange a meeting to discuss the interaction between the two projects. If you agree please let me know what dates would be suitable to you.

Kind Regards
