

APPENDIX 1

RICHBOROUGH CONNECTION PROJECT

PROGRESS OF VOLUNTARY AGREEMENTS FOR NATIONAL GRID AND UK POWER NETWORKS APPARATUS

1. Schedule 1

1.1. Schedule 1 below provides an update on the progress of voluntary agreements based on the total number of option agreements (45) required, which was submitted at Deadline 7 (**Doc 8.58/REP8-017, Appendix B**). This also details progress based on type of apparatus as queried during the Compulsory Acquisition Hearing on 20th October 2016 (divided into pylons [60], oversail only [17], access rights only [6] and temporary land use [1]). As of 15 June 2017, offer letters (enclosing Heads of Terms) have been sent to PILs in relation to 45 option agreements, comprising 84 pieces of apparatus. To date there are signed Heads of Terms relating to 14 pieces of apparatus/sites.

1.2. *Schedule 1 – Progress of Voluntary Agreements for National Grid Apparatus*

Description of <u>NG</u> apparatus / rights	No. of option agreements	No. of Pylons	No. of Oversail only	No. of 3rd Party Perm. Access deeds (land parcel with no other rights)	No. of Temp. land use (compound)	Total no. of apparatus/sites	Comment

Description of <u>NG</u> apparatus / rights	No. of option agreements	No. of Pylons	No. of Oversail only	No. of 3rd Party Perm. Access deeds (land parcel with no other rights)	No. of Temp. land use (compound)	Total no. of apparatus/sites	Comment
Offer sent	45	60	17	6	1	84	
Signed HoTs received	12	4	5	4	1	14	
Documents issued to PIL's solicitor	12	4	5	4	1	14	
Option exchanged	5	1	2	1	1	5	

2. Schedule 2

Schedule 2 below provides details of the latest position with regards to the progress of voluntary agreements for UK Power Networks in relation to temporary and permanent diversions. This shows progress based on the total number of option agreements (15) required, and progress based on type of apparatus as queried during the hearing (this is divided into pylons [6], temporary poles [32], oversail only [3], and access rights only [6]). As of 15 June 2017, offer letters (enclosing Heads of Terms) have been sent to PILs in relation to 48 pieces of apparatus. To date there are signed Heads of Terms relating to 5 pieces of apparatus and solicitors have been instructed in relation to 5 pieces of apparatus. An option has exchanged for a lease agreement for a temporary site compound.

Schedule 2 – Progress of Voluntary Agreements for UK Power Networks Apparatus
