Your reference EN020019

10 November 2015

Dear Ms. King

**Triton Knoll Electrical System (Application Reference: EN020019)**

We write further to our letter of 5 October 2015.

We can confirm that a site visit has been arranged between technical representatives of WPD and TKOWFL which is due to be held on 12 November 2015.

A separate legal meeting to discuss WPD's Protective Provisions is in the process of being arranged.

Given that the legal meeting to discuss the drafting of the Protective Provisions will be occurring after the technical site visit, WPD does not propose to send a representative to the DCO or Compulsory Acquisition hearings on 11 and 12 November 2015.

However, WPD will update further the ExA following the legal meeting as to the current position on drafting of the WPD Protective Provisions.

  
Yours sincerely
