

EN020019 Triton Knoll Electrical System (TKES)

Issue Specific Hearing commencing 12 November 2015 & Compulsory Acquisition Hearing held 13 November 2015.

Panel's Note of Information Proposed by interested parties to be submitted at Deadline 3 on 30 November 2015.

No.	Information / Revision to Draft Development Consent Order (DCO) to be submitted:	Interested parties to submit:
1.	Schedule of changes to DCO note to be provided to support the change request by demonstrating the consequential changes to the DCO.	Applicant
2.	Definition of Commencement to be considered further.	MMO
3.	Plot 39/05 to be reviewed to ensure ownership and its reference in the DCO is correct and understood.	Applicant & Councils
4.	National Grid clarification note expanding oral submission on statutory role in providing connections for projects, approach to substation design and future proofing.	National Grid
5.	Minor works requires further clarification of the definition specifically considering the implication of their inclusion alongside the definition of commencement.	Applicant
6.	Hedgerows in relation to removal to be reviewed as to whether it is appropriate for their exclusion from 'commencement'.	Applicant
7.	Article 2 requires 'and' to be added.	Applicant
8.	Article 3 definition of 'limits of deviation' to be added to ensure a clear relation to the order limits.	Applicant
9.	Article 9 further discussion required in relation to the time limit for notice.	Applicant
10.	Articles 8-11 further consideration to be given in relation to the relevant local authority to be discharging requirements.	Local Authorities and Applicant
11.	Requirement 14 further clarification to be	Applicant and Local

	considered as to the information to be included in the DCO regarding the content of the Code for Construction Practice.	Authorities
12.	Discharging requirements – clarification to be provided in the DCO to ensure that the fee is per requirement discharged rather than per request.	Applicant
13.	Transfer of Benefit requires further discussion between parties.	Applicant and MMO
14.	Deemed marine licence content to be commented on by Historic England before the Applicant provides further comment.	Historic England and Applicant
15.	New requirement proposed by Environment Agency (EA) agreed and to be inserted in DML.	Applicant and EA

17	New requirement suggested requiring that all construction traffic use the new permanent access road from the A17: discussion required.	Boston Borough Council and Applicant
18.	Further clarification to be provided in relation to concerns relating to traffic impacts at the Bicker Fen substation site.	Boston Borough Council
19.	Disapplication of legislation - where this takes place, agreement is to be sought from the consenting body.	Consenting bodies

No.	Information / Revision to Draft Development Consent Order (DCO) to be submitted:	Interested parties to submit:
1.	Crown Estates – suggest the insertion of ‘except for the interests of the Crown’ into the DCO to ensure that CA powers are not to include Crown Estate interests. This should be reflected on all relevant plots in the Book of Reference.	Applicant
2.	Highways Agency and Historical Railways Estate – suggest similar wording to that in point 1 to ensure that land is excluded.	Applicant
3.	Evidence of agreements – should be sought from Crown Estates, Highways Agency and Historical Railways Estate in relation to inserted wording and inclusion of their land in the Book of Reference.	Applicant & Crown Estates and Highways Agency and Historical Railways Estates
4.	Sandhills Act - Lincolnshire CC (LCC) raised the Sandhills Act as evidence in relation to the beach access at the landfall site. For this to be raised, it needs to be formally submitted into the examination.	Lincolnshire CC
5.	Length of CA – LCC raised matters in relation to the length of the CA rights, further information was promised to be forthcoming at the next deadline.	Lincolnshire CC
6.	Permission from the Internal Drainage Boards (IDB) – the IDBs request that there permission is sought before drainage is moved or interfered with.	Applicant and IDBs
7.	Permanent easements – further discussion is required between parties in relation to the appropriateness of easements.	Applicant and all APs
8.	Restrictive covenants – a number of representations were made and a number of actions noted by the applicant to follow up at the next deadline.	Applicant
9.	Conflict between schedule 5 of the DCO and the Protective Provisions – it was agreed that an additional sentence is to be added to article 26.	Applicant
