Good Evening

Huttoft Parish Council will be unable to send a representative to the preliminary meeting on 3rd September at Skegness.

Our concerns are-
the large vehicles & machinery
on our narrow roads as the infrastructure would
not be able to cope.

Excavation under the sea defences to thread through the cables may weaken its ability to defend the area from flooding.

This proposed area is on the edge of the Coastal Country Park. This is a tranquil & unique area, rich in nature and the Sea Bank Clay Pit have large flocks of birds who return each year to nest on the Reserve. This development would disturb the birds & prevent them nesting due to the disruption in this area.

Kind Regards

Marlene Sylvester
Clerk
