Dear Sir,

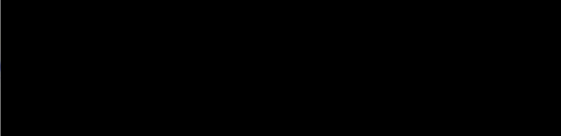

**TRITON KNOLL OFFSHORE WIND FARM
J W GRANT CO**

We act for the above Landowner affected by the proposed draft TKES Order. On behalf of our client we have made a relevant representation (10031837) objecting to the order. We confirm that our client has agreed private treaty heads of terms with the Applicant for the acquisition of their land interest and we now withdraw the relevant representation and all subsequent submissions made on their behalf during the examination.

Please note that this is conditional upon the cables being laid at sufficient depth to accommodate field drainage systems.

Kindly acknowledge receipt.

Yours faithfully

**James O'Brien BSc (Hons) FRICS, FAAV, MCI Arb, REV
