1. HOLDING STATEMENT

The Applicant and the Lincolnshire Wildlife Trust (LWT) are actively and positively engaged in discussions regarding the completion of a Statement of Common Ground (SoCG) for the Triton Knoll Electrical System project. To facilitate agreement meetings were held to discuss the draft SoCG and aspects raised in the LWT relevant representation on 10th August and 23rd September 2015. Although discussions are progressing well it has not been possible to provide a draft SoCG to the Examining Authority for Deadline 1 (5th October 2015), however we are working towards submitting a fully completed SoCG by Deadline 2 (27th October 2015).
