27<sup>th</sup> October 2015

**EN020019 Triton Knoll Electrical System – the Applicant’s Submissions in response to Deadline 2**

Dear Sarah,

Please find attached Triton Knoll Offshore Wind Farm Limited’s (TKOWFL), (referred to as the ‘Applicant’) response to Deadline 2.

These documents have been prepared by the Applicant and have been produced in response to the Written Representations, Local impact Reports and the responses on the Examining Authority’s (ExA) first questions.

Specifically, the Applicant has prepared the following:

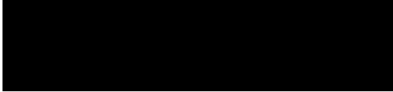

- Responses to the Written Representations;
- Comments on the Local impact Reports;
- Comments on the responses on the Examining Authority’s first questions;
- Summary of this Written Representation;
- Statements of Common Ground (SoCG);
- Updated Schedule of Compulsory Acquisition;
- Updated Land Plans;
- Updated draft DCO with a comparison against the submitted draft, schedule of changes and table of consultee requests; and
- Clarification Notes

These documents (collectively ‘the Response’) are submitted for the deadline of Tuesday 27 October 2015.

Please acknowledge receipt of these documents by email.

**Triton Knoll**  
**Offshore Wind Farm Limited**  
Regus, 4th Floor  
One Kingdom Street,  
Paddington Central,  
London, W2 6BD

Yours sincerely,

**Kim Gauld-Clark**
