EN020019 Triton Knoll Electrical System – the Applicant’s Submissions in response to Deadline 5

Dear Katherine,

Please find attached Triton Knoll Offshore Wind Farm Limited’s (TKOWFL), (referred to as the ‘Applicant’) response to Deadline 5.

These documents have been prepared by the Applicant and have been produced following the hearings that were held between 19 January and 22 January.

Specifically, the Applicant has prepared the following:

- Written summaries of oral cases put at hearings
- Applicant’s revised draft DCO
- Updated Schedule of Compulsory Acquisition
- A status update on Statements of Common Ground
- The Applicant’s response to Actions from Issue Specific Hearings
- Post hearing documents

These documents (collectively ‘the Response’) are submitted for the deadline of Monday 1st February 2016.

Please acknowledge receipt of these documents by email.

Yours sincerely,

Kim Gauld-Clark
Senior Consent Manager - Triton Knoll
