EN020019: Triton Knoll Electrical System Condition

Deadline 5

Deadline for receipt by ExA of:

01 February 2016

- Post hearing documents
- Written summary of oral cases put at hearings
- Comments on responses to ExA's second written questions
- Comments on any other submissions received at Deadline 4
- Updated schedule of compulsory acquisition
- Updated Statements of Common Ground
- Any further information requested by the ExA

Triton Knoll Cable Group comment for Deadline 5 regarding

Conditions: Highways access to Bicker Substation or cabling.

In support of Bicker Fen residents and Parish Council, we submit that there be a Condition inserted that all vehicular access for the operation and construction of any part of the Applicant's Triton Knoll cabling and Substation during the construction and operations phases is routed via the new access road off the A17 connecting to the substation and that all vehicular access for the above is prohibited via the local lanes and routes that serve Bicker Fen village.

Thank you

Melvin Grosvenor
