17th February 2016

EN020019 Triton Knoll Electrical System – the Applicant’s Submissions in response to Deadline 6

Dear Katherine,

Please find attached Triton Knoll Offshore Wind Farm Limited’s (TKOWFL), (referred to as the ‘Applicant’) response to Deadline 6.

These documents have been prepared by the Applicant.

Specifically, the Applicant has prepared the following:

- Response to the ExA’s third written questions
- Applicant’s comments on the ExA’s consultation draft DCO
- Updated Schedule of Compulsory Acquisition
- A status update on Statements of Common Ground
- Other relevant documents

These documents (collectively ‘the Response’) are submitted for the deadline of Wednesday 17th February 2016.

Please acknowledge receipt of these documents by email.

Yours sincerely,

Kim Gauld-Clark
