Subject: Removal of Representations - Triton Knoll Electrical System

Dear Sirs

We act for the landowners/occupiers affected by the proposed draft TKES Order. We made a relevant representation (see list below) objecting to the order. We confirm that our clients have agreed private treaty heads of terms with the Applicant for the acquisition of our land interest and we now withdraw our relevant representation and all subsequent submissions made by us/on their behalf during the examination. Please acknowledge receipt. If any our clients have made their own representations objecting to the order, these should also be treated as withdrawn.
