Subject: Triton Knoll - Removal of Representation

Dear Sirs

We act for the landowner/occupier affected by the proposed draft TKES Order. We made a relevant representation (see list below) objecting to the order. We confirm that our client has agreed private treaty heads of terms with the Applicant for access to his land interest and we now withdraw our relevant representation and all subsequent submissions made by us/on his behalf during the examination. Please acknowledge receipt. If our client have made his own representations objecting to the order, these should also be treated as withdrawn.
