Thank you for inviting the Environment Agency to make final comments on responses received for Deadline 6 and Deadline 7. I can confirm that we have no further comments to make on any of the documents submitted for these deadlines.

However, in accordance with the request made by the Examining Authority in the 3rd Written Questions, and in particular question CA 3.8, I confirm that we have now reached agreement with the Applicant in respect of all matters of environmental protection and regulation, the drafting of protective provisions and restrictive covenants and matters pertaining to the Environment Agency's land interests.
