26th July 2019

Dear Madam

**Reinforcement to the North Shropshire Electricity Distribution Network - EN020021
Planning Act 2008
SP Manweb Plc**

In response to the Deadline 7 requirements as set out in the Examining Authority's Rule 8 letter dated 27th March, the ISH on the dDCO, and the Compulsory Acquisition Hearing (both held on the 11th July), I enclose the following documents:

- Annex B Schedule of Construction Accesses V2
- Book of Reference (Final)
- Draft CEMP V5
- Diagram 3.2 Pole Types
- Funding Statement Document 4.2 V2 (Clean and Tracked Changes)
- Glossary Document 6.16 V2
- Position Statement on SoCGs V5
- SPM Responses to Written Reps Submitted at Deadline 6
- Schedule of Changes to the BoR V3
- Draft Final SoCG with Severn Trent Water
- Statement of Reasons Document 4.1 V2 (Clean and Tracked Changes)

The draft final Statement of Common Ground with STW is submitted as such because SP Manweb is unable to submit a signed version due to holiday commitments but expect to do so in early August when relevant STW personnel return. The STW SOCG reflects the agreed changes to the Protective Provisions.

SP Manweb is continuing efforts to contact Natural England with several emails and telephone calls since the last update. To allow additional time to try and reach agreement, SP Manweb will provide at Deadline 8 either a signed SoCG or a Final Position Statement on its efforts to agree an SoCG with Natural England.

SP Manweb will also provide a final version of the draft DCO on the SI template at Deadline 8 as soon as it is in position to do so after Deadline 7. This will be accompanied by an SP Manweb note on its response to any comments received on the draft DCO at Deadline 6 and Deadline 7 and its final position on the proposed Protective Provisions following the latest discussions between SP Manweb and relevant undertakers. This will enable the Examining Authority to decide when to close the Examination.

Should you have any queries please do not hesitate to contact me. I would be grateful if you could confirm receipt of these documents.

Yours faithfully
