Dear Sir / Madam,

Thank you for the opportunity to provide further comments to the draft Development Consent Order for the North Shropshire Reinforcement Project.

On the basis that works are carried out in accordance with the requirements of the proposed DCO, including the Certified Documents listed under Schedule 9 of the Order and in particular the various Environmental Statements listed under Table 10, Shropshire Council confirms it supports the draft DCO.

We recognise the proposed closing of the hearing on 20th September and have welcomed the opportunity to be part of this process.

Kind regards,

Eddie West
