Dear Ms Drury,

AQUIND Interconnector: Draft Statement of Community Consultation

Further to the informal consultation AQUIND recently undertook with your local authority, we write regarding the Statement of Community Consultation ('SoCC') for AQUIND Interconnector.

As you may be aware, AQUIND is currently preparing an application for development consent to build and operate AQUIND Interconnector. The application for Development Consent ('DCO') will be submitted to the Planning Inspectorate ('PINS') for examination before a final decision is made by the Secretary of State for Business, Energy & Industrial Strategy ('BEIS').

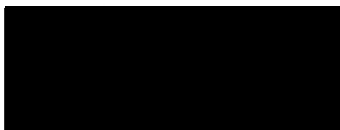

Section 47(2) of the Planning Act 2008 (the 2008 Act) requires AQUIND to consult with each local authority that is within section 43(1) of the 2008 Act about what is to be in the SoCC. As your Council is a local authority within the section 43(1) of the 2008 Act we therefore enclose a copy of the draft SoCC for your consideration.

The period for consultation on the SoCC in accordance with section 47(3) of the 2008 Act will begin on **Wednesday 12 December 2018** and end on **Wednesday 9 January 2019**.

We therefore request that any comments on the SoCC are provided by not later than midnight on **Wednesday 9 January 2019** to **James Wood** at BECG via aquindconsultation@becg.com.

In the meantime, should you have any queries regarding the draft SoCC or would otherwise like to discuss its contents, please do not hesitate to contact James Wood of BECG via e-mail on aquindconsultation@becg.com or via phone on **01962 893869**.
