Dear Mr Ranger,

Application by Aquind Limited for an Order Granting Development Consent for the Aquind Interconnector

On the 5th December BCP Council received a request from the Planning Inspectorate to make representations on the adequacy of the consultation in relation to the Aquind Interconnector. I have been made aware this week that PINs had attempted to consult BCP earlier in November but unfortunately this correspondence had not been received by BCP. I am aware that BCP have been asked to assess whether the developer has complied with the following duties:

- Duty to consult – Planning Act 2008 (as amended) (PA2008) – section 42
- Duty to consult the local community - PA2008 – section 47
- Duty to publicise - PA2008 – section 48

I understand that a response was due from BCP by the 28th November, however this project has only recently come to the attention of the BCP Local Planning Authority and we therefore query the adequacy of the consultation. We would like to monitor progress of this project and potential examination, and reserve the right to provide further comments at the next stage of the process.

Please contact me if you require any further information.

Regards
