Examining Authority's Note of an Unaccompanied Site Inspection

USI7: 22 July 2020, 1110 to 1130.

Andrew Mahon from the ExA carried out a short Unaccompanied Site Inspection along the public right of way (PRoW) running east from Newlands Lane at Cutler's Farm towards Waterlooville.

Land uses, the quality of the landscape, and landscape character were evaluated. Some views towards the site of the Proposed Development were identified aided by the Applicant's visualisations from Viewpoint 8 [APP-258]. Notes were made of the walker's typical amenity and experience when using the PRoW.
