Dear Sir/Madam,

Further to the Rule 6 letter, Havant Borough Council (HBC) wish to make written representation with regard to Item 3 of the Preliminary meeting agenda - Initial Assessment of Principal Issues – Annex A. Although "alternatives" are mentioned in the context of both compulsory acquisition and EIA matters, Havant Borough Council considers that the availability of alternatives, which do not involve such significant disruption to highways should be identified as a principal issue in its own right. HBC are aware that other Local Authorities will be raising this issue in their own submissions. HBC would formally request to reserve the right to speak at the Preliminary Meeting on item 3, if necessary, to assist the Examining Authority if required, on specific local issues that cannot be answered by the Highways Authority for the area within the administrative boundary of Havant.

Regards

Lewis
