Dear Andrew,

Thank you for your letter dated 3 July 2020. Apologies for my slow response. I would like to attend the preliminary meeting. I wish to attend to highlight an important issue that underpins the Initial Assessment of Principal Issues as set out in Appendix B, namely the failure to consult properly by the applicant or their agent, something I have previously highlighted. I am making my representations in a personal capacity as someone who lives near to the proposed route and a user of the open space that is likely to be adversely impacted by this proposal.

Best wishes,

Alistair
