Dear Aquind team,

Find my answers to the questionnaire attached. I have already sent my objections twice to you and would like to know what I can do to take part in the planning process to make my voice and the voice of our community heard. Our councillors are on our site and we would like to seriously discuss with you the route you have chosen. It is most disruptive to the community of Portsmouth, in particular Milton.

Regards,

Viola Langley

List of questions to accompany the Examining Authority's Rule 17 Request and Progress Note

Issued on 11 May 2020

Further to the [Rule 6 letter](#) dated 5 March 2020, setting out the arrangements for the Preliminary Meeting, and [our letter dated 26 March 2020](#) confirming the postponement of the event, we have decided to issue a Progress Note as an update to all Interested Parties. We have also prepared the table of questions below, which is intended to supplement the Note, in order to seek information to help make fresh arrangements for the Preliminary Meeting and to build an effective Examination Timetable. Your responses will help the Examining Authority (ExA) to decide:

- the format and arrangements for the Preliminary Meeting;
- which Hearings will be held; and
- what the arrangements and preparations for those Hearings will be.

Given current circumstances related to COVID-19, people may need to access events from their home, rather than their workplace or a public place. Please assume this to be the case. Could each person who may wish to speak at, or observe, the Preliminary Meeting and any Hearings complete the table of questions.

Whilst there may appear to be a lot of questions, please be assured of the importance of obtaining your answers. We consider it crucial to hear your views on the way in which the application should be examined, and they will help us to finalise our arrangements in due course.

Please return a completed copy of the table by email to aquind@planninginspectorate.gov.uk. Please contact the case team at that same email address, or by telephone at 0303 444 5000, if you require any assistance completing the form.

Please note that it is not our intention to publish the responses to the questionnaire; these relate to practical matters around the timing and organisation of the Preliminary Meeting and any Hearings that might take place during the Examination that will follow. They do not constitute submissions on the merits of the Proposed Development. Any such, submissions made in response to this questionnaire at this stage will not be taken into account when our recommendations and ultimately the decisions about the substantive merits of the application are made.

Responses to be provided by 1 June 2020 please.

Part 1 – Your details

Please provide details for each person who may wish to speak at or observe the Preliminary Meeting and/or a Hearing. If you are answering on behalf of multiple people, it is important that each person's individual reference number is provided confirming their status as an Interested Person.

We recognise that many people have adjusted their home and working arrangements as a result of COVID-19, so this is an opportunity for you to let us know about any changes to your contact details. It is also important, if possible, for all those that we currently contact by post, to provide us with an e-mail address for future contact.
