1. INTRODUCTION

- 1.1.1.1. This document is a Book of Reference ('BoR') and accompanies an application by AQUIND Limited (the 'Applicant') to the Secretary of State ('SoS') under the Planning Act 2008 (as amended) (the 'PA 2008') for the AQUIND Interconnector Order (the 'Order') (the 'Application').
- 1.1.1.2. The Application is submitted to the SoS pursuant to Section 37 of the PA 2008. This BoR has been prepared in accordance with the requirements provided for by Section 37(3)(d) of the PA 2008 and Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedures) Regulations 2009 (the 'APFP Regulations').
- 1.1.1.3. AQUIND Interconnector is a new 2,000 MW subsea and underground High Voltage Direct Current ('HVDC') bi-directional electric power transmission link between the South Coast of England and Normandy in France (the 'Project').
- 1.1.1.4. The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area (the 'Proposed Development').
- 1.1.1.5. The purpose of this BoR is to identify:
- Y the parcels of land in respect of which the Applicant is seeking powers to compulsorily acquire rights (and restrictions) over land or in respect of which Applicant is seeking powers of temporary possession in order to carry out the Proposed Development (the 'Order Land');
 - Y any rights or restrictive covenants over the Order Land, which may be extinguished, suspended or discharged due to the carrying out of the Proposed Development;
 - Y any persons outside the Order Limits who might be entitled to make a 'relevant claim';
 - Y any of the Order Land which is owned by the Crown; and
 - Y any Order Land which falls into a 'special category'.
- 1.1.1.6. This BoR is to be read in conjunction with the Land Plans (document reference 2.2) submitted under Regulation 5(2)(i) of the APFP Regulations. The Land Plans identify:
- Y the land required for, or affected by, the Proposed Development;
 - Y land which may be acquired permanently under the compulsory acquisition powers, pursuant to Article 20 of the DCO;
 - Y land that will be subject to powers to acquire permanent rights and impose restrictions, pursuant to Article 23 of the DCO;

- Ÿ land which will not be acquired but where only temporary use powers may be exercised, pursuant to Article 30 of the DCO;
- Ÿ land in relation to which it is proposed to extinguish, suspend or interfere with any existing easements, servitudes and other private rights, pursuant to Article 21 and Article 24 of the DCO; and
- Ÿ special category land.

2. BOOK OF REFERENCE AND LAND PLANS

- 2.1.1.1. The BoR is divided into five Parts as prescribed by Regulation 7(1) of the APFP Regulations.
- 2.1.1.2. Each of the five Parts, including commentary on how the requirements provided for by the APFP Regulations have been complied with, is summarised below.
- 2.1.1.3. The Order Land is identified by numbered entries on the Land Plans, which correspond to the plot numbers detailed in this BoR. Each plot is numbered uniquely so that the prefix relates to the sheet number of the Land Plans on which the plot appears.
- 2.1.1.4. All plot area measurements provided in this BoR are given in square metres, and each measurement is rounded to the nearest whole square metres.
- 2.1.1.5. Each plot is coloured on the Land Plans. The colour of the plot on the Land Plans identifies the purpose for which the land is required in connection with the Proposed Development, as follows:
- Y Pink plots: Freehold and leasehold interests to be compulsorily acquired; temporary use of land; and power to over-ride or interfere with easements and other rights and to extinguish private rights of way.
 - Y Blue plots: New connection works rights (including restrictions) to be compulsorily acquired; temporary use of land; and power to over-ride or interfere with easements and other rights and to extinguish private rights of way.
 - Y Green plots: New landscaping rights (including restrictions) to be compulsorily acquired; temporary use of land; and power to over-ride or interfere with easements and other rights and to extinguish private rights of way.
 - Y Purple plots: New access rights (including restrictions) to be compulsorily acquired; temporary use of land; and power to over-ride or interfere with easements and other rights and to extinguish private rights of way.
 - Y Yellow plots: Temporary use of land; and power to over-ride or interfere with easements and other rights and to extinguish private rights of way.

2.2. INTRODUCTION TO PART 1 OF THE BOOK OF REFERENCE

- 2.2.1.1. Part 1 of the BoR is described in Regulation 7(1)(a) as follows:

2.2.1.2. *"Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to—*

- Ÿ powers of compulsory acquisition;*
- Ÿ rights to use land, including the right to attach brackets or other equipment to buildings; or*
- Ÿ rights to carry out protective works to buildings;"*

2.3. INTRODUCTION TO PART 2 OF THE BOOK OF REFERENCE

2.3.1.1. Part 2 of the BoR is described in Regulation 7(1)(b) as follows:

2.3.1.2. *"Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57"*

2.3.1.3. Section 57(4) of the Act identifies that *"a person is within Category 3 if the applicant thinks that, if the order sought by the application were to be made and fully implemented, the person would or might be entitled—*

- Ÿ as a result of the implementing of the order;*
- Ÿ as a result of the order having been implemented; or*
- Ÿ as a result of use of the land once the order has been implemented to make a relevant claim."*

2.3.1.4. Section 57(4) of the PA 2008 is subject to Section 57(5) of the PA 2008, which provides that *"a person is within Category 3 only if the person is known to the applicant after making diligent inquiry"*.

2.3.1.5. A *"relevant claim"* for these purposes is defined at section 57(6) of the PA 2008 as meaning:

- Ÿ "a claim under section 10 of the Compulsory Purchase Act 1965 (compensation where satisfaction not made for the taking or injurious affection, or land subject to compulsory purchase);*
- Ÿ a claim under Part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by use of public works);*
- Ÿ a claim under section 152(3)"*

2.3.1.6. Category 3 therefore contains persons with legal rights (or easements) over the Order Land. Category 3 includes persons with interests in land outside the Order Land who, it is considered, might be able to make a relevant claim (as defined above).

2.3.1.7. For each plot, a description of the land which it is considered a relevant claim may be able to make in respect of and its approximate area is provided.

- 2.3.1.8. The Applicant does not expect that any person will be able to make a successful claim under Part 1 of the Land Compensation Act 1973 in respect of the operation of the Proposed Development. Therefore, no persons are listed in Part 2 of the BoR as potentially having such a claim.

2.4. INTRODUCTION TO PART 3 OF THE BOOK OF REFERENCE

- 2.4.1.1. Part 3 of the BoR is described in Regulation 7(1)(c) as follows:
- 2.4.1.2. *"Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with."*
- 2.4.1.3. Part 3 of the BoR contains the names of all those persons who it is considered may have their private rights over land affected by the Proposed Development.
- 2.4.1.4. Persons included within Part 1 or Part 2 of the BoR have also been included within Part 3 where their rights may be considered to be affected. Examples include statutory undertakers with services in or under the land, and whose rights over the land may be affected whether the land is required permanently or temporarily.

2.5. INTRODUCTION TO PART 4 OF THE BOOK OF REFERENCE

- 2.5.1.1. Part 4 of the BoR is described in Regulation 7(1)(d) as follows:
- 2.5.1.2. *"Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made".*
- 2.5.1.3. Where Crown interests in land have been identified, these are listed in Part 4, and the relevant plots are also shown on the Crown Land Plans (document reference 2.3).

2.6. INTRODUCTION TO PART 5 OF THE BOOK OF REFERENCE

- 2.6.1.1. Part 5 of the BoR is described in Regulation 7(1)(e) as follows:
- 2.6.1.2. *"Part 5 specifies land—*
- Ÿ The acquisition of which is subject to special parliamentary procedure;*
 - Ÿ Which is special category land;*
 - Ÿ Which is replacement land; and*
 - Ÿ for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot."*
- 2.6.1.3. The location of any land which is special category land to be used temporarily or of which permanent acquisition of land or rights over land is required is noted within Part 5 of the BoR and identified on the Land Plans.

2.7. INTERESTS AND NEW RIGHTS WHICH MAY BE ACQUIRED

- 2.7.1.1. The second column in Part 1 of the BoR records the class of interest, rights and restrictions which may be acquired over each plot in connection with the Proposed Development through the powers in the Order.
- 2.7.1.2. Where all freehold and leasehold interests in a plot are to be permanently acquired, this is recorded in the second column of Part 1 of the BoR as "Permanent acquisition of land".
- 2.7.1.3. Where new rights are to be created and acquired, or new restrictions imposed, the nature of those rights or restrictions referred to in Part 1 of the BoR are to be read as referring to those defined below:
