INTRODUCTION

AQUIND Interconnector - Compulsory Acquisition Status Report

This document has been prepared to provide the status of negotiations and agreements for permanent or temporary rights required for the Proposed Development as at Deadline 6 as requested by the ExA pursuant to the Rule 6 letter issued on 3 July 2020.

- 1 Column A details the ID Number assigned to the Landowner or Organisation
- 2 Column B details the name of the Landowner or Organisation as listed in the Book of Reference
- 3 Column C identifies the reference number assigned to any Written Representation in the examination library
- 4 Column D identifies the Part of the Book of Reference where the interest is listed
- 5 Column E identifies the Class of rights to be acquired (i.e. Permanent and Temporary or Temporary)
- 6 Column F identifies the relevant Plot Number in the Book of Reference where the interest is listed
- 7 Column G identifies if Compulsory Acquisition powers are sought over the Plot
- 8 Column H identifies the status of agreement. The short status descriptions are further clarified below;

Heads of Terms Issued- The Applicant has issued an offer of terms for a Voluntary agreement

Heads of Terms Agreed – The Applicant has agreed the principle terms of a Voluntary agreement and Solicitors have been instructed to issue legal agreements

Heads of terms in Negotiation- The Applicant has issued an offer of terms for a Voluntary Agreement and is engaged in active negotiations with the landowner or their representatives

Legal Drafting in Progress- Terms of a Voluntary agreement are agreed in principle, Solicitors are instructed and the legal agreement is being finalised

Option Agreement signed- The legal agreement has been exchanged and completed

PP in negotiation- The Applicant is negotiating Protective Provisions with the relevant stakeholder.

SOCG in negotiation- The Applicant has issued a Statement of Common Ground which is being discussed with the affected party

AQUIND Interconnector – Compulsory Acquisition Status Report
