#### AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022) SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010

On 14 November 2019 AQUIND Limited ('Applicant') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL under the Planning Act 2008 submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') in respect of AQUIND Interconnector ('Application'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('CA Regulations') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of land or of an interest in or right over land in respect of land that was not identified in the book of reference submitted with the Application ("CA Request"). The Examining Authority accepted the CA Request on 11 November 2020 pursuant to regulation 6 of the CA Regulations.

#### SUMMARY OF THE PROJECT

AQUIND Interconnector ('Project') is a new 2,000 MW subsea and underground High Voltage Direct Current ('HVDC') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('Proposed Development'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('HVAC') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

#### DESCRIPTION OF THE ADDITIONAL LAND

The additional land to be added to the Order limits and which is subject to the CA Request is a parcel of land towards the western edge of the football pitch at Baffins Milton Rovers FC, which has been assigned plot number 8-03a (the 'Additional Land').

#### REASONS WHY THE ADDITIONAL LAND IS REQUIRED

The Additional Land is proposed to be included within the Order Limits for the Proposed Development in connection with land to the west of the Additional Land being removed from the Order Limits, so as to avoid the potential for trees in this location to be removed.

The addition of the Additional Land is required to provide a sufficient area within the Order Limits to install the onshore cables which form part of the Proposed Development. The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

#### COPIES OF THE ADDITIONAL DOCUMENTS

A copy of the supplement to the book of reference relating to the Additional Land (REP1-125), the map showing the Additional Land (REP1-002), the revised Land Plans for the Proposed Development (REP1-011a), the revised draft DCO (REP3-003) and other documentation relating to the CA Request ('Additional Documents') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab:

<https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?ipcsection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.

These arrangements will apply until the experimental Orders cease to have effect.

8. The Council will consider in due course whether the provisions of the experimental Orders referred to in paragraph 1 of this Notice (including the Order modified as described in paragraph 2 of this Notice) should be continued in force indefinitely by means of permanent Orders made under sections 6, 45, 46 and 84(1) of the Road Traffic Regulation Act 1984. Any person may object to the making of the permanent Orders, within a period of six months beginning with the date on which the modification described in paragraph 2 of this Notice comes into force (that 6 month period would currently end on 19 May 2021) or, if any of the Orders are later varied by another Order or are again modified pursuant to section 10(2) of the 1984 Act, beginning with the date on which the variation or latest variation or modification comes into force. ## RE-USE OF A PROHIBITED NAME

### NOTICE TO THE CREDITORS OF AN INSOLVENT COMPANY REGARDING THE RE-USE OF A PROHIBITED NAME - RULE 22.4 OF THE INSOLVENCY (ENGLAND AND WALES) RULES 2016 GERAGHTY TAYLOR LIMITED

05287809

Registered office: Suite 8B Normanby Gateway, Lysaghts Way, Scunthorpe, DN15 9YG

Principal trading address: 1st Floor Saxon House, 48 Southwark Street, London, SE1 1UN  
(t/a GERAGHTY TAYLOR)

On 4 November 2020 the above-named company went into insolvent liquidation.

I, Brendan Geraghty of 31 Hurst Farm Road, East Grinstead, West Sussex, RH19 4DQ was a director of the above-named company during the 12 months ending with the day before it went into liquidation.

I give notice that it is my intention to act in all or any of the ways specified in section 216(3) of the Insolvency Act 1986 in connection with, or for the purposes of, the carrying on of the whole or substantially the whole of the business of the insolvent company under the following name:

GERAGHTY TAYLOR

#### Rule 22.5 - Statement as to the effect of the notice under rule 22.4(2):

"Section 216(3) of the Insolvency Act 1986 lists the activities that a director of a company that has gone into insolvent liquidation may not undertake unless the court gives permission or there is an exception in the Insolvency Rules made under the Insolvency Act 1986. (This includes the exceptions in Part 22 of the Insolvency (England and Wales) Rules 2016). These activities are-

- (a) acting as a director of another company that is known by a name which is either the same as a name used by the company in insolvent liquidation in the 12 months before it entered liquidation or is so similar as to suggest an association with that company;
- (b) directly or indirectly being concerned or taking part in the promotion, formation or management of any such company; or
- (c) directly or indirectly being concerned in the carrying on of a business otherwise than through a company under a name of the kind mentioned in (a) above.

This notice is given under rule 22.4 of the Insolvency (England and Wales) Rules 2016 where the business of a company which is in, or may go into, insolvent liquidation is, or is to be, carried on otherwise than by the company in liquidation with the involvement of a director of that company and under the same or a similar name to that of that company.

The purpose of the giving of this notice is to permit the director to act in these circumstances where the company enters (or has entered) insolvent liquidation without the director committing a criminal offence and in the case of the carrying on of the business through another company, being personally liable for that company's debts.

Notice may be given where the person giving the notice is already the director of a company which proposes to adopt a prohibited name".

# Terms and conditions relating to submission of notices

The Gazette (which includes the London, Belfast and Edinburgh Gazette) is an official public record and the United Kingdom's longest continuously published newspaper. It is managed by The National Archives (a non-ministerial government department) under a concessionary contract with The Stationery Office Limited ("TSO" or the "Publisher", as defined below). Any capitalised terms referred to in these terms and conditions relating to submission of notices are defined below.

By placing a Notice in The Gazette you are consenting to put official information permanently on the public record and in the public domain, online (in The Gazette website or via The Gazette mobile app), in print, and via a data service (rather than by having to search for notices on The Gazette website, customers can either create a pdf of the Notices that they are interested in, or subscribe to an electronic version of The Gazette (in full or in part) which is provided as a data service).

These terms should be read in conjunction with:

1 The Publisher's privacy policy [www.thegazette.co.uk/privacy](http://www.thegazette.co.uk/privacy)

2 The Publisher's policies relating to submission of notice [www.thegazette.co.uk/place-notice/policy](http://www.thegazette.co.uk/place-notice/policy) which together govern the submission of Notices.

Advertisers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Advertisers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Advertisers who place Notices and has the authority to refuse to publish Notices from Advertisers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at [www.thegazette.co.uk](http://www.thegazette.co.uk).

These terms and conditions ( "**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website [www.thegazette.co.uk](http://www.thegazette.co.uk) (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

## 1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at [www.thegazette.co.uk/place-notice/pricing](http://www.thegazette.co.uk/place-notice/pricing), as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in relation to deceased estates Notices; "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Advertiser, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) - (v) above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law (including fraudulent misrepresentation, or for death or personal injury resulting from the negligence of either party or their agents, subcontractors and/or or employees) which shall not be limited or excluded in any way, the Publisher, The National Archives, or any successor organisation's (including affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability (including any liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation (other than fraudulent misrepresentation), equity, breach of statutory duty, strict liability or otherwise at law, and whether arising from the acts and/or omissions of the Publisher or The National Archives or arising out of or made in connection with any Notice or otherwise shall be limited to one hundred and fifty (150) per cent of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Advertiser and/or any third party or in respect of any Notice submitted by any Advertiser for potential publication in

The Gazette, which the Advertiser warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for any error or has published a Notice in error a, the Publisher shall at no charge to the Advertiser, either remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 . In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at [www.thegazette.co.uk](http://www.thegazette.co.uk) and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled

by The Gazette, where possible. The Publisher may (at its sole and absolute discretion) require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Advertiser, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from [www.thegazette.co.uk](http://www.thegazette.co.uk), but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice - and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Advertiser accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the

Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error including (without limitation), the Publisher, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Advertiser or executor's address with The Gazette's postal

box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Advertiser or executor (if different). The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependents) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Advertiser or executor's name and address details will be removed from the Forwarding Service.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to [customer.services@thegazette.co.uk](mailto:customer.services@thegazette.co.uk)

22 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

23 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.

## AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022)

### SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010

On 14 November 2019 AQUIND Limited ('**Applicant**') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL under the Planning Act 2008 submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('**DCO**') in respect of AQUIND Interconnector ('**Application**'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('**CA Regulations**') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of land or of an interest in or right over land in respect of land that was not identified in the book of reference submitted with the Application ('**CA Request**'). The Examining Authority accepted the CA Request on 11 November 2020 pursuant to regulation 6 of the CA Regulations.

#### SUMMARY OF THE PROJECT

AQUIND Interconnector ('**Project**') is a new 2,000 MW subsea and underground High Voltage Direct Current ('**HVDC**') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('**Proposed Development**'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('**HVAC**') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

#### DESCRIPTION OF THE ADDITIONAL LAND

The additional land to be added to the Order limits and which is subject to the CA Request is a parcel of land towards the western edge of the football pitch at Baffins Milton Rovers FC, which has been assigned plot number 8-03a (the 'Additional Land').

#### REASONS WHY THE ADDITIONAL LAND IS REQUIRED

The Additional Land is proposed to be included within the Order Limits for the Proposed Development in connection with land to the west of the Additional Land being removed from the Order Limits, so as to avoid the potential for trees in this location to be removed. The addition of the Additional Land is required to provide a sufficient area within the Order Limits to install the onshore cables which form part of the Proposed Development.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

#### COPIES OF THE ADDITIONAL DOCUMENTS

A copy of the supplement to the book of reference relating to the Additional Land (REP1-125), the map showing the Additional Land (REP1-002), the revised Land Plans for the Proposed Development (REP1-011a), the revised draft DCO (REP3-003) and other documentation relating to the CA Request ('**Additional Documents**') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?ipcsection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges.

Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone **01962 893 869** if you would like to request copies of the Additional Documents.

#### COMMENTING ON THE CA REQUEST

Any representations (giving notice of any interest in, or objection to the CA Request) must be made on the Planning Inspectorate's Registration and Relevant Representation Form, which is available through the project page of the Planning Inspectorate's website at: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector>.

### Sketch John Grace

# Former cabinet secretary channels Sir Humphrey in masterclass of misdirection

**S**hortly after Mark Sedwill announced he would be stepping down as the cabinet secretary and the national security adviser in September, he gave a speech in which he described his life before government. "I've had a gun in my face from Saddam Hussein's bodyguards," he said. "A bomb under my seat at a polo match in the foothills of the Himalayas. I've been hosted by a man plotting to have me assassinated. I've been shot at, mortared and even had someone come after me with a suicide vest."

So, as you might expect, what could have been an awkward two-hour appearance before the public administration and constitutional affairs select committee scarcely registered on his heart-rate monitor.

Not that the committee didn't do their best to wrinkle out the dysfunctionality at the heart of government and discover how and why Sedwill had been forced out. Just that Sedwill was clear from the start that everything was going to be conducted entirely on his terms and that any revelations he might make would be completely deliberate.

And he certainly wasn't going to be drawn on last week's meltdown in No 10 that ended with the departure of both his old enemies, Dominic Cummings and Lee Cain. These things happened all the time.

The committee chair, William Wragg, tried to probe a little deeper. "You say you weren't sacked, you didn't resign and you weren't made redundant," he said, sounding more and more confused. "If that's the case, why did you go?" Sedwill barely broke sweat. It had been a voluntary agreement that he should leave in September even though he had never previously said he was planning to go at that time. It had been a spontaneous decision to leave right in the middle of the Covid pandemic and with less than four months to conclude a Brexit deal. He just wanted to give his successor as little time as possible to settle in during a national crisis.

But it is true that you were

*Sedwill was not able to confirm that the briefings against him had largely been orchestrated by Cummings and Gove*

consistently being briefed against? Sedwill conceded that he had had a difficult time, but as all the briefings had been conducted anonymously he wasn't able to confirm they had largely been orchestrated by Cummings, Michael Gove and other members of the Vote Leave team who were convinced that none of the senior civil servants really believed in the Brexit project. Though he was at pains to point out that as he himself had been described as a fervent Brexiter and as an ardent remoaner he must have been doing something right. So it was all a bit of a mystery.

Like most top civil servants, Sedwill is a master of misdirection and of saying very little of substance at some length. He wears you down by attrition as much as by force of argument. So when he tried to claim there was nothing particularly unusual in so many permanent secretaries in government departments all resigning or being sacked at roughly the same time, there was little pushback.

Labour's Rachel Hopkins did ask if it should have been Gavin Williamson who got the sack over the exams fiasco in the summer rather than Jonathan Slater, his permanent secretary, but Sir Humphrey couldn't possibly comment. The whole point of private conversations was that they should remain private. Which was as close as he could bring himself to saying he would happily have seen the back of Williamson a second time, having persuaded May to fire him once before for leaking details of the national security council.

Sedwill did find time to land Johnson in some trouble by observing that the report into claims of bullying by Priti Patel had been gathering dust on the prime minister's desk. Though naturally he had no idea what it contained. He was sure there would be lessons to be learned about the government's handling of coronavirus, though he was curiously vague as to how many - if any - of the proposals put forward in the Operation Cygnus pandemic planning exercise had been put in place.

But that's one of the joys he'd recently discovered about no longer being cabinet secretary. Quite apart from the £250k lump sum in the pension pot and the elevation to the House of Lords, he's no longer really responsible for anything. No more crisis meetings. No more outbursts from second-rate special advisers. No more infighting. The hard rain that Cummings had promised had arrived. And it had fallen on Dom and the rest of his crew.

## AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022)

### SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010

On 14 November 2019 AQUIND Limited ('Applicant') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL under the Planning Act 2008 submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') in respect of AQUIND Interconnector ('Application'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('CA Regulations') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of land or of an interest in or right over land in respect of land that was not identified in the book of reference submitted with the Application ('CA Request'). The Examining Authority accepted the CA Request on 11 November 2020 pursuant to regulation 6 of the CA Regulations.

#### SUMMARY OF THE PROJECT

AQUIND Interconnector ('Project') is a new 2,000 MW subsea and underground High Voltage Direct Current ('HVDC') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('Proposed Development'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('HVAC') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

#### DESCRIPTION OF THE ADDITIONAL LAND

The additional land to be added to the Order limits and which is subject to the CA Request is a parcel of land towards the western edge of the football pitch at Baffins Milton Rovers FC, which has been assigned plot number 8-03a (the 'Additional Land').

#### REASONS WHY THE ADDITIONAL LAND IS REQUIRED

The Additional Land is proposed to be included within the Order Limits for the Proposed Development in connection with land to the west of the Additional Land being removed from the Order Limits, so as to avoid the potential for trees in this location to be removed. The addition of the Additional Land is required to provide a sufficient area within the Order Limits to install the onshore cables which form part of the Proposed Development.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

#### COPIES OF THE ADDITIONAL DOCUMENTS

A copy of the supplement to the book of reference relating to the Additional Land (REP1-125), the map showing the Additional Land (REP1-002), the revised Land Plans for the Proposed Development (REP1-011a), the revised draft DCO (REP3-003) and other documentation relating to the CA Request ('Additional Documents') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?ipcsection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.

Chatterwood House was a Victorian hunting lodge converted into a luxury care home

# A lovely life in a Liss care home

SET in idyllic, private gardens in Liss, Chatterwood House nursing home is a former Victorian hunting lodge that has undergone extensive renovations to create a beautiful care environment for up to 37 residents.

Owner Milkwood Care, a Petersfield-based family run business, has appointed Louise Webster as the home's new manager.

She said: "It's always been the ethos to provide unrivalled high standards of care in this beautiful home.

"Working in a high-standard environment and for a company with a good reputation is important to me.

"Like the established team, I believe in the total wellbeing of each of our residents – everything we do is set up to maximise their happiness and quality of life.

"And this is paramount even during a pandemic lockdown, when of course life has been different and, at times, difficult, but we have done everything possible to keep our residents upbeat and engaged.

"We have landscaped gardens they can access and a hairdressing salon, where they can still enjoy a relaxing pamper.

"Where possible, we have continued our activities, providing the opportunity to participate in favourite pastimes, learn new skills and keep their minds and bodies fit."

And staff have created a 'Visiting Pod,' with a glass panel that divides the room so visitors can talk to their relatives in a safe environment.

There are also other ways residents and their families can stay in touch and up to date.

Regular FaceTime and Zoom video calls are facilitated and staff often post photos of day-to-day life and special events on the private Chatterwood Facebook page.

Louise added: "I'm so proud of how the staff and residents have coped with the new normal.

"Despite lockdown there has been much laughter and joy, which makes this a fabulous home to live and work in."

The 'Visiting Pod' has to be booked and allows families and loved ones to chat safely

## AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022)

### SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010

On 14 November 2019 AQUIND Limited ('Applicant') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL under the Planning Act 2008 submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') in respect of AQUIND Interconnector ('Application'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('CA Regulations') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of land or of an interest in or right over land in respect of land that was not identified in the book of reference submitted with the Application ('CA Request'). The Examining Authority accepted the CA Request on 11 November 2020 pursuant to regulation 6 of the CA Regulations.

#### SUMMARY OF THE PROJECT

AQUIND Interconnector ('Project') is a new 2,000 MW subsea and underground High Voltage Direct Current ('HVDC') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Applicant seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('Proposed Development'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('HVAC') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

#### DESCRIPTION OF THE ADDITIONAL LAND

The additional land to be added to the Order limits and which is subject to the CA Request is a parcel of land towards the western edge of the football pitch at Baffins Milton Rovers FC, which has been assigned plot number 8-03a (the 'Additional Land').

#### REASONS WHY THE ADDITIONAL LAND IS REQUIRED

The Additional Land is proposed to be included within the Order Limits for the Proposed Development in connection with land to the west of the Additional Land being removed from the Order Limits, so as to avoid the potential for trees in this location to be removed. The addition of the Additional Land is required to provide a sufficient area within the Order Limits to install the onshore cables which form part of the Proposed Development.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

#### COPIES OF THE ADDITIONAL DOCUMENTS

A copy of the supplement to the book of reference relating to the Additional Land (REP1-125), the map showing the Additional Land (REP1-002), the revised Land Plans for the Proposed Development (REP1-011a), the revised draft DCO (REP3-003) and other documentation relating to the CA Request ('Additional Documents') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?ipcsection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.

- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('HVAC') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

#### DESCRIPTION OF THE ADDITIONAL LAND

The additional land ('Additional Land') to be added to the Order limits and which is subject to the CA Request is:

- 10,112 square metres of woodland (Mill Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number 1-32a; and
- 14,842 square metres of woodland and private access track (Stoneacre Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number a 1-02a.

#### REASON WHY THE ADDITIONAL LAND IS REQUIRED

The Additional Land is required in order to address the impact of ash dieback and the consequential effect on the landscape and visual impacts of a part of the Proposed Development (the converter station). The disease has spread more rapidly than expected when the Application was made, and following a recent survey the Applicant has concluded that active management of these two woodlands, through rights secured in the DCO, is necessary in order to maintain the screening function they serve.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

#### COPIES OF THE ADDITIONAL DOCUMENTS

A copy of the supplement to the book of reference relating to the Additional Land (AS-053), a map showing the Additional Land in Appendix 1 of the Request for Change to the Order Limits (AS-054), revised Land Plans (2.2 Rev 04 Sheet 0 and Sheet 1'), the draft DCO (REP5-008) and other documentation relating to the CA Request ('Additional Documents') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?ipcsection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.

Advertisers, as defined below, may place a Notice in The Gazette either because there is a statutory requirement to do so, or to do so voluntarily to put information in The Gazette in order to create an official record of fact. All Advertisers must have the authority to place the notice that they submit for publishing. TSO, as the Publisher, is required to verify the authority of Advertisers who place Notices and has the authority to refuse to publish Notices from Advertisers whose authority cannot be effectively verified.

Notices received for publication usually fall under the following broad headings:

Church, Companies, Environment and Infrastructure, Health and Medicine, Honours and awards, Money, Parliament and Assemblies, People, Royal Family and State. Further information can be found at [www.thegazette.co.uk](http://www.thegazette.co.uk).

These terms and conditions ("**Terms and Conditions**") govern submission of Notices (as defined below) to The Gazette. By submitting Notices, howsoever communicated, whether at the website [www.thegazette.co.uk](http://www.thegazette.co.uk) (the "**Website**") or by email, post and/or facsimile, the Advertiser (as defined below) agrees to be bound by these Terms and Conditions. Where the Advertiser is acting as an agent or as a representative of a principal, the Advertiser warrants that the principal agrees to be bound by these Terms and Conditions. The Publisher reserves the right to modify these Terms and Conditions at any time. Such modifications shall be effective immediately upon publication. By submitting Notices to The Gazette after the Publisher has published such modifications, the Advertiser, including any principal, agrees to be bound by the revised Terms and Conditions.

## 1 Definitions

1.1 In these Terms and Conditions: "**Advertiser**" means any agency, company, firm, organisation or person who has requested to place a Notice in The Gazette, whether acting on their own account or as agent or representative of a principal; "**Authorised Scale of Charges**" means the scale of charges set out at in the printed copy of the Gazette or at [www.thegazette.co.uk/place-notice/pricing](http://www.thegazette.co.uk/place-notice/pricing), as modified from time to time; "**Charges**" means the payment due for the acceptance of a Notice by the Publisher payable by the Advertiser as set out in the Authorised Scale of Charges; "**Forwarding Service**" means the service provided to use The Gazette's postal box for correspondence in order to prevent a personal address from being publicly and permanently available on the official public record. "**Local Newspaper Notice**" means any notice placed in a local newspaper other than The Gazette; "**Notice**" means all advertisements and state, public, legal or other notices (without limitation) submitted for potential publication in The Gazette by the Advertiser, save in respect of any Local Newspaper Notice, to which other terms may apply where indicated in these Terms and Conditions; "**Publisher**" means The Stationery Office Limited or TSO, with registered company number 03049649, acting in accordance with the concessionary contract awarded by The National Archives.

1.2 the singular includes the plural and vice-versa; and

1.3 any reference to any legislative provision shall be deemed to include any subsequent re-enactment or amending provision.

2 By submitting a Notice to the Publisher, the Advertiser agrees to be bound by these Terms and Conditions which, unless stated otherwise in these Terms and Conditions, represent the entire terms agreed between the parties in relation to the publication of Notices in The Gazette and which every Notice shall be subject to. For the avoidance of doubt, these Terms and Conditions shall prevail over any other terms or conditions (whether or not inconsistent with these Terms and Conditions) contained or referred to in any correspondence or documentation submitted by the Advertiser or implied by custom, practice or course of dealing which the parties agree shall not apply, unless otherwise expressly agreed in writing by the Publisher.

3 The Publisher reserves the right, to be exercised at its sole and absolute discretion, to make reasonable efforts to verify the validity of the Advertiser.

4 The Publisher may, at its sole and absolute discretion edit the Notice, subject to the following restrictions:

4.1 the sense of the Notice submitted by the Advertiser will not be altered;

4.2 Notices shall be edited for house style only, not for content;

4.3 Notices can be edited to remove obvious duplications of information;

4.4 Notices can be edited to re-position material for style;

4.5 any additions, amendments or deletions required in order to include the minimum necessary information set out in any Notice guidelines shall be confirmed with the Advertiser; and

4.6 subject to clause 5 below, no amendments to the text (other than those made as a consequence of 4(i) – (v) above) shall be made without confirmation from the Advertiser.

For the avoidance of doubt, the Advertiser agrees and accepts that, subject to the limited rights to edit any Notice referred to above, it is the Advertiser that shall be solely responsible for the content of any Notice, including its validity and accuracy and that the Publisher shall not be responsible for, nor shall have any liability in respect of such content in any way whatsoever.

5 The Advertiser accepts that it submits a Notice entirely at its own risk and that the Publisher shall have the sole and absolute discretion whether to accept a Notice for publication; whether to publish it (including after acceptance); the timing of any publication of a Notice; or whether to remove or withdraw the Notice after publication, such decision to be final. The Advertiser must satisfy itself as to the legal, statutory and/or procedural requirements and accuracy relating to any Notice and, for the avoidance of doubt, the Publisher shall have the sole and absolute discretion to refuse to publish or withdraw from publication (if already published) any Notices where the content of the Notice, in the Publisher's sole and absolute opinion, may not comply with any such requirements. In instances where publication has not yet taken place, the Publisher shall notify the Advertiser of any action required to remedy any deficiency and publication shall not take place until the Publisher is satisfied that such action has been taken by the Advertiser. Where publication has taken place the Notice placer will be contacted with the proposed remedy which may include, but is not limited to, removal, reinsertion, retraction or substitution notice.

6 Save for any liability that cannot be excluded or restricted by law, The National Archives or the Publisher's (including any successor organisations, affiliates, officers, directors, agents, subcontractors and/or employees) total aggregate liability whether arising from the acts and/or omissions of The National Archives or the Publisher arising out of or made in connection with any Notice or otherwise for any and all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and other professional costs and/or expenses), whether in contract (including under an indemnity or warranty), tort (including negligence), misrepresentation, equity, breach of statutory duty, strict liability or otherwise incurred shall be limited to one hundred and fifty per cent (150%) of the value of the Charge paid for such Notice under these Terms and Conditions.

6A Other than as set out in clause 6 above, neither the Publisher, nor The National Archives, shall have any liability in respect of any act and/or omission of the Advertiser and/or any third party or in respect of any Notice submitted by any Advertiser for potential publication in The Gazette, which the Advertiser warrants and accepts is solely its responsibility.

7 For the avoidance of doubt, subject to clause 6 above and save for the payment of the Charges, in no circumstances shall either party be liable for any losses including, without limitation, loss of revenues, profits, contracts, business or savings or anticipated savings, any loss of goodwill or reputation, or any special, indirect or consequential damages (however arising, including negligence).

8 Where the Publisher is responsible for a failure to publish, or has published a Notice in error or with an error, the Publisher shall, at no charge to the Advertiser, either publish the Notice at the next suitable opportunity, or in the event of an error, remove the Notice or publish a reinsertion, retraction or substitution Notice as appropriate at the next suitable opportunity. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of the Publisher's liability in these circumstances.

9 In the event that the Publisher believes, in its sole opinion, an Advertiser is submitting Notices in bad faith, is in breach of clause 11 below, or has dealings with Advertisers who are in breach of these Terms and Conditions or has breached such Terms and Conditions previously, the Publisher may require further verification of information to be provided by the Advertiser and may, at its sole and absolute discretion, delay publication of those Notices until it is satisfied that the Notice it has received is based on authentic information.

10 The location of the Notice in The Gazette shall be at the discretion of the Publisher. For the avoidance of doubt, the Notice shall be published in the house style of The Gazette.

11 The Advertiser warrants:

11.1 that it has the right, power and authority to submit the Notice;

11.2 the Notice is true and accurate in all respects and does not mislead or contain potentially fraudulent information;

11.3 the Notice is submitted in good faith, does not contravene any law (statutory or otherwise), nor is it in any way illegal, defamatory or an infringement of any other party's rights or of any applicable advertising regulations, guidelines or codes of practice, nor is it subject to any court order prohibiting such publication.

12 To the extent permissible by law the Publisher excludes all warranties, conditions or other terms, whether implied by statute or otherwise, relating to the placing of any Notices.

13 The Advertiser agrees to fully indemnify (as a debt) and hold the Publisher and The National Archives or any successor organisation, including any affiliates, officers, directors, agents, subcontractors and employees harmless from all liabilities, costs, expenses, damages and losses (including, without limitation) any direct, indirect, consequential and/or special losses and/or damage, loss of profit, loss of reputation and/or goodwill and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and/or expenses (including legal costs) suffered or incurred (including negligence) in respect of any matter arising out of, in connection with or relating to any Notice (including, without limitation, clause 11 of the Terms and Conditions) and including (without limitation) in respect of any claim and/or demand (including threatened and/or potential claims or demands) made by any third party which may constitute a breach and/or potential breach by the Advertiser (or their principal) of these Terms and Conditions or of any law and/or any of the rights of a third party. The Publisher shall consult with the Advertiser as to the way in which such applicable claims, demands or potential claims or demands are handled but the Publisher shall retain the sole, absolute and final decision on all aspects of any matter arising from the aforementioned indemnity, including the choice of instructing legal representatives, steps taken in or related litigation and/or decisions to settle the case. The Advertiser shall use best endeavours to provide, at its own expense, such co-operation and assistance as the Publisher may reasonably request including in respect of any principal (if applicable) and including, without limitation, the provision of and/or access to witnesses, access to premises and delivery up of documents and/or any evidence, including supporting any associated litigation and/or dispute resolution process.

14 The Advertiser shall promptly notify the Publisher in writing of any actual, threatened or suspected claim made by a third party or parties against the Advertiser and/or the Publisher in relation to a Notice. The Publisher reserves the right, following a claim or threatened claim, to immediately remove the Notice which is the subject of the complaint from the website at [www.thegazette.co.uk](http://www.thegazette.co.uk) and all other websites controlled by the Publisher containing the Notice, as well as from any other medium in which the Notice has been placed that is controlled by The Gazette, where possible. The Publisher may (at its sole and

absolute discretion) require the Advertiser to amend the Notice at its own cost before it agrees to re-publish the Notice if it is capable of rectification to avoid the claim, threatened or suspected claim. Any reinstatement of the Notice shall be at the sole and absolute discretion of the Publisher, whose decision in respect of such matter shall be final.

In exceptional circumstances, for example if the Notice was found by the Publisher to have been submitted by an unauthorised Advertiser, the Publisher (upon receiving written approval from The National Archives) will remove a Notice in its entirety from [www.thegazette.co.uk](http://www.thegazette.co.uk), but will retain the Notice identification online and include explanatory text saying why and when the Notice was removed.

15 The Advertiser acknowledges that the Publisher may re-use Notices and/or allow third parties to re-use Notices accepted for publication in The Gazette for ongoing Gazette-related activity – for example to create a company profile page on The Gazette website and where you have also opted for a newspaper advertisement as well as a Gazette notice – and hereby assigns to the Publisher for and on behalf of the Crown, all rights, including but not limited to, copyright and/or other such intellectual property rights (as applicable) in all Notices, and warrants that any such activity in respect of any Notice (including any activity in the preparation of such Notice for publication in The Gazette) by the Publisher and/or third parties does not and will not infringe any legal right of the Advertiser or any third party. For the avoidance of doubt, all Notices and any content therein shall be Crown copyright and may be subject to the Open Government Licence (or any variation thereof).

16 The Advertiser accepts that the purpose of The Gazette is to disseminate information of interest to the public as widely as possible in the public interest. The Advertiser accepts that the information contained in the Notices published in The Gazette may be used for additional purposes by the Publisher or third parties after publication as stated above and that such use may be beyond the control of The Gazette. In such instances, the Advertiser agrees that the Publisher shall have no liability whatsoever in respect of such use by the Publisher or third parties. The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

17 The Advertiser acknowledges and agrees that the publication of any Notice is subject to any court order and/or direction of the court or such other regulatory and/or enforcement authorities including the Information Commissioner's Office, the police, the Financial Conduct Authority (and such other related regulatory organisations), the Solicitors Regulation Authority and such other authorities as may be applicable (without limitation) and that the Publisher may delay, refuse to publish or withdraw from publication if it has received evidence to that effect and may not publish such notice until it has received written evidence from the court (as the Publisher may reasonably require from time to time) that demonstrates that any previous order and/or direction has been withdrawn and/or is no longer applicable (as the Publisher may reasonably require from time to time) and/or, subject to any statutory and/or applicable laws, The Gazette may share information and/or data related to the Notice and/or the Advertiser's account related to such authorities and the Advertiser hereby consents to such disclosure(s).

18 In respect of any Local Newspaper Notice, this clause 18 shall apply. For the avoidance of doubt, all other terms of the Terms and Conditions shall apply to Local Newspaper Notices only to the extent that they do not conflict with the terms set out below. In the event of any conflict, the terms set out in this clause 18 shall prevail:

18.1 The Local Newspaper Notice may be placed in a local newspaper by any subcontractor and/or a third party organisation at the Publisher's sole and absolute discretion and the Advertiser hereby consents to such use (including any activity that is ancillary and/or reasonably necessary to such use). For the avoidance of doubt, this may include the processing of personal data in accordance with the EU General Data Protection Regulation (Regulation 2016/679), and any legislation which implements, amends, re-enacts or replaces it in England and Wales, Northern Ireland or Scotland ("GDPR"), by the Publisher, any subcontractor and/or third party organisation, together with the local newspaper and related organisations;

18.2 The placement of a Local Newspaper Notice shall be upon the standard terms and conditions of the local newspaper in question in addition to these Terms and Conditions. The Advertiser expressly agrees to such local newspaper terms and by submitting a Local Newspaper Notice to The Gazette, expressly consents to the

Publisher, its subcontractors and/or any applicable third party organisation agreeing to such terms on behalf of the Advertiser;

18.3 To the extent that such local newspaper and the applicable terms allow, where the Publisher, any subcontractor, any third party acting on behalf of the Publisher and/or the local newspaper is responsible for any error, the Publisher shall arrange for the local newspaper to publish the corrected Local Newspaper Notice at no additional cost to the Advertiser. Both parties agree (including on behalf of any principal, if applicable) that this shall be the sole remedy of the Advertiser (including any principal, if applicable) and the full extent of the limit of liability in these circumstances;

In the event that a corrected Local Newspaper Notice is not published for whatever reason, the total aggregate liability of the Publisher and The National Archives, whether direct or indirect, and including (without limitation) all liabilities, losses, damages, expenses, costs (including all interest, penalties, legal costs and/or other professional costs and/or expenses) suffered or incurred, howsoever arising (including negligence), whether arising from the acts and/or omissions of the Publisher, The National Archives and/or the Advertiser and/or any third party (including, without limitation, any principal of the Advertiser) or arising out of or made in connection with the Notice or otherwise shall be limited to the value of the Local Newspaper Notice placed through The Gazette except that nothing in these Terms and Conditions shall limit or exclude any liability for fraudulent misrepresentation, or for death or personal injury resulting from the Publisher's or The National Archives' negligence or the negligence of the their agents, subcontractors and/or employees or third parties acting on behalf of the Publisher.

19 In respect of the use of the Forwarding Service, The Gazette will replace the Advertiser or executor's address with The Gazette's postal box address in the Notice, and Local Newspaper Notice if applicable. All correspondence received will be sent on from The Gazette to the Advertiser or executor (if different).

Please be aware that correspondence received by The Gazette's postal box may be opened (for example in circumstances where the intended recipient of the correspondence is not clear) and in using this service you are consenting to this, however The Gazette will at all times act with confidentiality, discretion and adhere to any legislative requirements.

The Forwarding Service will remain in place for a period of 10 months from publication of the Notice in The Gazette, or 10 months from publication of the Notice in a Local Newspaper, in line with the Inheritance (Provision for Family and Dependants) Act 1975. After the 10 months period has lapsed any correspondence received will be returned to the sender where possible or securely destroyed, and the Advertiser or executor's name and address details will be removed from the Forwarding Service.

20 The Advertiser accepts that the Charges may be amended from time to time and will be payable at the rate in force at the time of invoicing unless otherwise agreed by the Publisher in writing. The Charges must be paid in full by the Advertiser in advance of publication unless other requirements of the Publisher in respect of the payment of such Charges (as determined from time to time) are notified to the Advertiser.

21 Please note that we use PayPage by Verifone on The Gazette to process credit or debit card transactions. This involves a £1.00 pre-authorised transaction by your bank to check that funds are available and that sum is then reserved, although no actual deduction or charge takes place. The reserved funds then become available to the customer after the pre-authorisation expires usually between 3-7 days (as a guideline). We use this process to validate all card orders and this allows us to hold orders for goods that are out of stock or not yet published as we do not charge for these until the goods are in stock. By placing the order, you agree to such pre-authorisation processes.

22 If the Advertiser wishes to make a complaint, all such complaints shall be submitted in writing to [customer.services@thegazette.co.uk](mailto:customer.services@thegazette.co.uk)

23 Save in respect of The National Archives (or any successor organisation), a person who is not a party to these Terms and Conditions has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms and Conditions but this does not affect any right or remedy of a party specified in these Terms and Conditions or which exists or is available apart from that Act.

24 These Terms and Conditions and all other express terms of the contract shall be governed and construed in accordance with the laws of England and the parties hereby submit to the exclusive jurisdiction of the English courts.

## AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022)

### SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010

On 14 November 2019 AQUIND Limited ('**Applicant**') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('**DCO**') in respect of AQUIND Interconnector under the Planning Act 2008 ('**Application**'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('**CA Regulations**') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of rights over land in respect of land that was not identified in the book of reference submitted with the Application ('**CA Request**'). The Examining Authority accepted the CA Request on 18 December 2020 pursuant to Regulation 6 of the CA Regulations.

#### SUMMARY OF THE PROJECT

AQUIND Interconnector ('**Project**') is a new 2,000 MW subsea and underground High Voltage Direct Current ('**HVDC**') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('**Proposed Development**'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('**HVAC**') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

#### DESCRIPTION OF THE ADDITIONAL LAND

The additional land ('**Additional Land**') to be added to the Order limits and which is subject to the CA Request is:

- 10,112 square metres of woodland (Mill Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number 1-02a; and
- 14,842 square metres of woodland and private access track (Stoneacre Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number a 1-32a.

#### REASON WHY THE ADDITIONAL LAND IS REQUIRED

The Additional Land is required in order to address the impact of ash dieback and the consequential effect on the landscape and visual impacts of a part of the Proposed Development (the converter station). The disease has spread more rapidly than expected when the Application was made, and following a recent survey the Applicant has concluded that active management of these two woodlands, through rights secured in the DCO, is necessary in order to maintain the screening function they serve.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

#### COPIES OF THE ADDITIONAL DOCUMENTS

A copy of the supplement to the book of reference relating to the Additional Land (AS-053), a map showing the Additional Land in Appendix 1 of the Request for Change to the Order Limits (AS-054), revised Land Plans (2.2 Rev 04 Sheet 0 and Sheet 1), the draft DCO (REP5-008) and other documentation relating to the CA Request ('**Additional Documents**') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?ipcsc=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.

#### COMMENTING ON THE CA REQUEST

Any representations (giving notice of any interest in, or objection to the CA Request) must be made on the Planning Inspectorate's Registration and Relevant Representation Form, which is available through the project page of the Planning Inspectorate's website at: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector>.

# Former Japanese PM is questioned over funding scandal

**Justin McCurry**

Tokyo

Prosecutors in Japan have questioned the former prime minister, Shinzo Abe, over a funding scandal that could harm the country's current leader, Yoshihide Suga.

Abe, who resigned in August, apparently owing to ill health, volunteered for questioning this week as prosecutors sought to build a case against his secretary over unreported political funds. He is under pressure to address allegations that a local association of political supporters - known as a support group in Japan - helped cover dining expenses for his constituents to attend the government's annual cherry blossom viewing parties in Tokyo between 2015 and last year.

The failure to list the expenditure in annual fund reports is a possible violation of political funding laws.

The constituents, who travelled to Tokyo from Abe's constituency in Yamaguchi prefecture, western Japan, paid just ¥5,000 (£36) each to have dinner at expensive hotels on the eve of the cherry blossom events, according to the Asahi Shimbun newspaper.

Hotel receipts showed that the full cost of the banquet-style meals at two luxury hotels came to a total of ¥23m over five years. Abe's secretary confirmed to prosecutors that the support group had made up the shortfalls.

A dissident Pakistani human rights activist living in exile in Canada has been found dead in Toronto. Karima Baloch, 37, was granted asylum in Canada in 2016 after her work as a human rights activist in the troubled state of Balochistan led to her being followed and threatened by the authorities.

The first chair of the Baloch Students Organization (BSO-Azad), a political student organisation, she had been advocating for the rights of those

taxpayer-funded secretary, is suspected of contributing ¥9.16m over the period, the Asahi said.

As prime minister, Abe repeatedly told MPs there had been no impropriety. Kyodo news agency reported yesterday that prosecutors were not planning on taking action against him.

Hosted by prime ministers almost every year since 1952, the cherry blossom viewing party is a springtime event originally meant to honour sportspeople, celebrities and other citizens who have excelled in their fields, but critics say it is increasingly used to reward the government's supporters. The scandal risks tarnishing Abe's legacy and could weaken Suga, who was his preferred successor when he stepped down.

Suga, who was Abe's chief spokesman for almost eight years, publicly defended the then prime minister when the allegations were first reported last year.

Pressure is building on Abe to give unsworn testimony before a parliamentary budget committee, possibly before the end of the year.

Opposition MPs have demanded he explain where the money for the dinner parties came from and why he had previously denied payments were made to help cover the costs.

Abe said last week he was willing to address the allegations in parliament. "I will deal with [any questions] sincerely after prosecutors finish their investigation," he told reporters.

The investigation has come at an awkward time for Suga, who faces an LDP presidential race next September and a lower house election the following month.

His approval ratings have plummeted over his handling of the coronavirus pandemic, with many voters criticising his decision to wait until last week to suspend a subsidised travel scheme that experts say may have helped the virus spread since it was launched in July.

**AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022)**

**SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010**

On 14 November 2019 AQUIND Limited ('Applicant') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') in respect of AQUIND Interconnector under the Planning Act 2008 ('Application'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('CA Regulations') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of rights over land in respect of land that was not identified in the book of reference submitted with the Application ('CA Request'). The Examining Authority accepted the CA Request on 18 December 2020 pursuant to Regulation 6 of the CA Regulations.

**SUMMARY OF THE PROJECT**

AQUIND Interconnector ('Project') is a new 2,000 MW subsea and underground High Voltage Direct Current ('HVDC') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('Proposed Development'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('HVAC') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

**DESCRIPTION OF THE ADDITIONAL LAND**

The additional land ('Additional Land') to be added to the Order limits and which is subject to the CA Request is:

- 10,112 square metres of woodland (Mill Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number 1-02a; and
- 14,842 square metres of woodland and private access track (Stoneacre Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number 1-32a.

**REASON WHY THE ADDITIONAL LAND IS REQUIRED**

The Additional Land is required in order to address the impact of ash dieback and the consequential effect on the landscape and visual impacts of a part of the Proposed Development (the converter station). The disease has spread more rapidly than expected when the Application was made, and following a recent survey the Applicant has concluded that active management of these two woodlands, through rights secured in the DCO, is necessary in order to maintain the screening function they serve.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

**COPIES OF THE ADDITIONAL DOCUMENTS**

A copy of the supplement to the book of reference relating to the Additional Land (AS-053), a map showing the Additional Land in Appendix 1 of the Request for Change to the Order Limits (AS-054), revised Land Plans (2.2 Rev 04 Sheet 0 and Sheet 1), the draft DCO (REP5-008) and other documentation relating to the CA Request ('Additional Documents') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?psection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.

**AQUIND INTERCONNECTOR - NOTICE OF A COMPULSORY ACQUISITION REQUEST IN RESPECT OF ADDITIONAL LAND (PLANNING INSPECTORATE REFERENCE: EN020022)**

**SECTION 123(4) OF THE PLANNING ACT 2008 AND REGULATION 8 OF THE INFRASTRUCTURE PLANNING (COMPULSORY ACQUISITION) REGULATIONS 2010**

On 14 November 2019 AQUIND Limited ('Applicant') of OGN House, Hadrian Way, Wallsend, Tyne and Wear, NE28 6HL submitted an application to the Secretary of State for Business, Energy and Industrial Strategy for a Development Consent Order ('DCO') in respect of AQUIND Interconnector under the Planning Act 2008 ('Application'). The Application was accepted for examination on Thursday 12 December 2019 and the Examination commenced on Wednesday 9 September 2020. The Planning Inspectorate's reference number for the Application is EN020022.

Notice is hereby given in accordance with Regulation 8 of the Infrastructure Planning (Compulsory Acquisition) Regulations 2010 ('CA Regulations') that the Applicant has made a request for an order granting development consent to authorise compulsory acquisition of rights over land in respect of land that was not identified in the book of reference submitted with the Application ('CA Request'). The Examining Authority accepted the CA Request on 18 December 2020 pursuant to Regulation 6 of the CA Regulations.

**SUMMARY OF THE PROJECT**

AQUIND Interconnector ('Project') is a new 2,000 MW subsea and underground High Voltage Direct Current ('HVDC') bi-directional electric power transmission link between the South Coast of England and Normandy in France. By linking the British and French electric power grids it will make energy markets more efficient, improve security of supply and enable greater flexibility as power grids evolve to adapt to different sources of renewable energy and changes in demand trends such as the development of electric vehicles. The Project will have the capacity to transmit up to 16,000,000 MWh of electricity per annum, which equates to approximately 5% and 3% of the total consumption of the UK and France respectively.

The Application seeks development consent for those elements of the Project located in the UK and the UK Marine Area ('Proposed Development'). The Proposed Development includes:

- HVDC marine cables from the boundary of the UK exclusive economic zone to the UK at Eastney in Portsmouth;
- jointing of the HVDC marine cables and HVDC onshore cables;
- HVDC onshore cables from Eastney to Lovedean;
- a Converter Station and associated electrical and telecommunications infrastructure at Lovedean;
- high Voltage Alternating Current ('HVAC') onshore cables and associated infrastructure connecting the Converter Station to the Great Britain electrical transmission network, the National Grid, at Lovedean Substation; and
- smaller diameter fibre optic cables to be installed together with the HVDC and HVAC cables and associated infrastructure.

**DESCRIPTION OF THE ADDITIONAL LAND**

The additional land ('Additional Land') to be added to the Order limits and which is subject to the CA Request is:

- 10,112 square metres of woodland (Mill Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number 1-02a; and
- 14,842 square metres of woodland and private access track (Stoneacre Copse, east of Old Mill Lane, Lovedean), which has been assigned plot number a 1-32a.

**REASON WHY THE ADDITIONAL LAND IS REQUIRED**

The Additional Land is required in order to address the impact of ash dieback and the consequential effect on the landscape and visual impacts of a part of the Proposed Development (the converter station). The disease has spread more rapidly than expected when the Application was made, and following a recent survey the Applicant has concluded that active management of these two woodlands, through rights secured in the DCO, is necessary in order to maintain the screening function they serve.

The Additional Land is required to facilitate the delivery and operation of the Proposed Development to which the Application relates, and there is a compelling case in the public interest for the rights proposed to be acquired over the Additional Land given the international and national benefits that the Project will generate, in light of EU and UK energy policy and carbon and climate change commitments.

The need for the Project and its benefits are described in full in the Needs and Benefits Report (APP-115) and in the Needs and Benefits Report Addendum (REP1-136), which are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website detailed below.

**COPIES OF THE ADDITIONAL DOCUMENTS**

A copy of the supplement to the book of reference relating to the Additional Land (AS-053), a map showing the Additional Land in Appendix 1 of the Request for Change to the Order Limits (AS-054), revised Land Plans (2.2 Rev 04 Sheet 0 and Sheet 1), the draft DCO (REP5-008) and other documentation relating to the CA Request ('Additional Documents') are available to view free of charge on the webpage relating to the Application on the Planning Inspectorate's website under the 'Documents' tab: <https://infrastructure.planninginspectorate.gov.uk/projects/south-east/aquind-interconnector/?psection=docs>.

The Additional Documents will be available to view on the website for at least the duration of the Examination, which is due to be completed by no later than 8 March 2021.

Electronic copies of the Additional Documents will be made available free of charge on a USB upon request to the Applicant. A paper copy is also available on request, subject to reasonable copying charges. Please email [aquindconsultation@becg.com](mailto:aquindconsultation@becg.com) or phone 01962 893 869 if you would like to request copies of the Additional Documents.
