Dear Mr Jones

Aquind Interconnector Planning Hearing

I write further to the above and the Issue Specific Hearing 5 which I attended on 18th February.

I would confirm that Stagecoach South have since continued to have discussions with Hampshire County Council & Portsmouth City Council regarding bus mitigation measures to ensure that robust measures are in place to help deal with any adverse impact on bus operation during the project works.

These extensive discussions with the two Councils and the Applicant have been positive and I can confirm that Stagecoach (South) Limited are content with the mitigations and associated funding now contained in the associated s.106 agreement between the Applicant and Hampshire County Council.

Yours Sincerely

Edward Hodgson
Managing Director
