Subject: Objection to Aquind
Date: 13 December 2021 19:18:02

Dear Sir/Madam,

I'm writing to make known my objection to the proposed Aquind power cable intended to run through Portsmouth and on to Lovedean.

It will cause major disruption to a highly congested city for a lengthy period and I believe further investigation needs to be carried out on this proposal.

There is protest against this project in and around Portsmouth and it is unpopular with many.

Kind Regards

Roger Ackland
