Dear Sir

Re: Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 Application for Development Consent (“the Application”) by AQUIND Limited (“the Applicant”) for an Order granting Development Consent for the proposed AQUIND Interconnector (“the AQUIND Interconnector project”)

We write further to your letter dated 1st December 2021 requesting NGET provide comments on the information submitted at Section 5 of the Applicant’s response dated 18 November 2021, regarding the agreement for the Applicant to purchase land rights over Plot 1-27. These plots are linked to the location of the converter station at Lovedean.

In response we are pleased to confirm that Land Rights negotiations have now been concluded and Agreements were completed on 3rd December 2021.

We trust this provides the necessary confirmation to address paragraph 5 of your letter of the 1st December 2021 but please do not hesitate to contact us if you require any further clarification.

Kindly acknowledge receipt.

Yours faithfully

Anne Holdsworth
