Subject: Objection to Aquind
Date: 14 December 2021 15:29:38

As a resident of Southsea I would like to register my objection to project Aquind on the grounds of pollution, in particular air quality, destruction to local nature in an area of natural beauty and disruption to traffic. This is not what our struggling city needs. We should be focusing on making it a more desirable place to live and work.

James Kynvin
