Hi,

I object to the planned cables and route in Portsmouth - please accept my objection:

Environmental :

destruction of wildlife habitat, highly polluted city , gridlock , disturbance to marine habitat, interference with allotment and its wildlife habitat, toxic waste on Milton Common exposed, SSSR site along Milton Common, migratory birds eg Brent Geese, most densely populated city with only 3 access roads to Portsmouth, closure of green spaces for some time and effects afterwards, Portsmouth is already 4th worst congested city in UK, climate change The rejection of the project in France

14 mayors of the area where Aquind interconnector is planned are against it, Prefet of the area against it, Aquind lost its appeal for status as Project of Common Interest, Health issues Pollution and effects on nature and people, Effects of Electromagnetic Field Emmissions near people' s houses, Effects on mental well-being by taking away green spaces Effects on young people when playing fields temporarily closed Effects of gridlock Other issues Effects on local businesses Effects on tourism

Kind Regards,  
Carl Sackett
