I strongly object to this Aquind project once again, it's an absolute disgrace that it's even being considered, it will cause so much problems to Eastney and the allotments and the entire Portsmouth for many many years and nobody in Pompey will even benefit from it, the whole thing is purely about yet more money for the big firms, this needs to stop, it should never have even been considered in the first place, it will benefit absolutely nobody but the big firms, STOP THIS NOW
