Subject: Fwd: Time To Give Aquind The Red Card

Categories: Consultation Response

>> There is absolutely no logical rationale for this project to proceed.

>>

>> The environmental damage alone should mean that it is rejected at the earliest convenience.

>>

>> In addition, the fact that it will bring the City of Portsmouth to a complete standstill - further adding to the environmental pollution - is a close second.

>>

>> I hope that common sense together with a notion for what is true and right will see the whole thing vetoed.

>>
