Subject: Aquind plans for Portsmouth & South Hampshire
Date: 27 March 2023 14:09:10

We live in Drayton (postcode PO6 1HU) and we very strongly object to Aquind's plans for the installation of an interconnector in Portsmouth.

We note that the plans would involve major disruption in our neighborhood for an extended period, plus of course major disruption to many parts of west Portsmouth and to the north of us.

The plans are totally unsuitable for a major island city with heavily built-up residential and business areas.

Sincerely Mr & Mrs J Nisbet
