Subject: Planning proposal, Portsmouth

Categories: Consultation Response

Dear Sir or Madam,

I am writing to express my objections to the proposed inter-connector running through Portsmouth.

I can't see that this proposal, which would ruin some of our precious areas and cause years of delays and chaos on our roads, brings any benefit to Portsmouth residents at all.

Please register my objections.

I am a Portsmouth resident and my details are as follows:

Please update me about your proposal.

Thank you.

Nicola Potts
