Dear sir {s}, I STRONGLY PROTEST AQUIND development 1st.WE SHOULD GENERATE OUR OWN LOCAL GREEN ENERGY AND NOT IMPORT FROM FRANCE THE CABLES ARE VULNERABLE TO INTERFERANCE AND DISRUPT ECO SYSTEMS ALONG THEIR ROUTE.PORTSMOUTH IS A VERY OVERCROWDED ISLAND WITH FEW ACCESS ROADS ,THESE ARE ALREADY EXTREMELY BUSY ,ONE CAR BROKEN DOWN CAUSES MASSIVE DISRUPTION TO THE WHOLE CITY! THE AQUIND PROJECT IS TOTALY NO. NO NO
