Categories: Consultation Response

I would like to formally add my objection to the Aquind Project.

The level of disruption this will cause to residents and visitors to Portsmouth is unacceptable. There has been very little information or consultation provided on this for residents on this.

I also don't accept that this is the only option - coming through and digging up a highly populated area including parks, allotments and nature areas, I don't feel other options have been fully explored

Kind regards
Felicity Course
