--	----------

APPENDIX 5.8 SURFACE WATER RESOURCES AND FLOOD RISK CUMULATIVE EFFECTS ASSESSMENT (STAGE 1 & 2)

1.1. INTRODUCTION

- 1.1.1.1. This document should be read in conjunction with Chapter 29 (Cumulative Effects) of the Environmental Statement ('ES') Volume 1 (document reference 6.3.20.5), Chapter 20 (Surface Water Resources and Flood Risk) of the ES Volume 1 (document reference 6.1.20) and Appendix 20.6 (Surface Water Resources and Flood Risk Cumulative Effects Assessment Matrix (Stage 3 & 4)) of the ES Volume 3 (document reference 6.3.20.6).
- 1.1.1.2. Further to the review of cumulative projects and assessments undertaken in May 2020 which also identified and assessed additional projects submitted (Section 20.2 of 7.8.1 ES Addendum), this list below has been updated in March 2023 and the following updates to Stage 1 and 2 assessments are presented in Table 1.
- 1.1.1.3. Projects that are no longer in the datasets where applications have been withdrawn have strikethroughs in the matrix and are coloured **orange**. In addition, projects where construction is complete have strikethroughs and are coloured in **red** as the revised construction programme for the Proposed Development is 2024-2027 and therefore, those projects will be completed prior to construction works for the Proposed Development having begun. Where necessary, schemes which have been constructed have been identified as new receptors, presented in Appendix 5.2 (document reference: 7.8.3.12).
- 1.1.1.4. New projects that have come forward have been included within the matrix below and are illustrated in Figures 5.1, Appendix 5.17 of ES Addendum 3 (document reference 7.8.3.28). New projects were included where the works fell within the Zones of Influence and were of a nature and scale to be considered for cumulative assessment. In addition, where project updates are available these have been taken into account and included below. These projects and/or updates are coloured in **green**.

- 1.1.1.5. Furthermore, as part of this review additional clarity has been provided regarding a series of development which were classified as “construction complete” as part of the 2019 ES. It was considered that construction of these scheme would have been complete prior to the commencement of construction for the Proposed Development and cumulative effects were therefore not anticipated to arise. These schemes were considered as baseline receptors as part of the 2019 ES assessment. Updated text in this regard is also coloured in **green** for completeness.
- 1.1.1.6. The Cumulative Effects Assessment (‘CEA’) for the Proposed Development follows the recommended approach as detailed by the Planning Inspectorate (‘PINS’) in PINS Advice Note Seventeen (Planning Inspectorate, 2019). This document summarises the first stages of the CEA approach which include:
- Stage 1 – Establish a Zone of Influence (‘ZOI’) for each environmental discipline and identify long list of ‘other developments’; and
 - Stage 2 – Identify a shortlist of ‘other developments’.
- 1.1.1.7. In order to screen projects for the CEA relating to Surface Water Resources and Flood Risk, the following threshold criteria has been applied:
- The ZOI of other developments has been identified up to 0.5 km from the Order Limits however in addition to the 500 m radius features typically up to 1 km radius from the Order Limits, and further afield, if deemed appropriate based on professional judgement, are considered within this assessment if these features are deemed to be highly sensitive or directly connected or interconnected to receptors within the Order Limits.
 - The scale and nature of other developments: projects greater than 0.5 ha, used as a threshold for likely significant effects in Schedule 2 of the EIA Regulations. However, it is also acknowledged that some projects under this threshold may give rise to cumulative effects, so projects within 100 m of the Order Limits are included due to their proximity to the Proposed Development.
 - Temporal scope: construction would need to fall within 1 year of the construction of the Proposed Development for cumulative construction effects to need to be considered.
- 1.1.1.8. Table 1 lists the long and short list of developments for consideration as part of the CEA for the Proposed Development.

1.2. CUMULATIVE EFFECTS ASSESSMENT OVERVIEW

1.2.1.1. As considered within Table 1, due to typical planning application requirements, embedded mitigation and additional mitigation associated to other developments the cumulative effects can often be expected to be Negligible. The following sub-sections provide an overview of this assumption for each of the main receptors considered within Chapter 20 (Surface Water Resources and Flood Risk).

1.2.2. SURFACE WATER DRAINAGE PATTERNS

1.2.2.1. All developments located within the same surface water catchment may result in localised temporary impacts to surface water drainage patterns, however the overall catchment influences are not anticipated to be impacted.

1.2.3. WATER SUPPLY AND WASTEWATER DRAINAGE INFRASTRUCTURE

1.2.3.1. The Proposed Development and all developments, where required will be supplied by Portsmouth Water's potable water network and Southern Water's wastewater drainage network.

1.2.3.2. Water demand is expected to increase as a result of each respective development. Portsmouth Water strategically assess the availability of water supply to cater for continued development and increase in demand as part of their long-term water resources management strategies as set out in Portsmouth Water's Water Resources Management Plan 2019.

1.2.3.3. Any upgrade and off-site reinforcement works required to support the Proposed Development or developments will be proposed at a local scale in consultation with Portsmouth Water who can assess the impacts holistically between all registered developments and development growth projections.

1.2.3.4. With regards to the wastewater drainage network, any developments that require upgrade and off-site reinforcement works required to support the developments will be proposed on a local scale in consultation with Southern Water who can assess the impacts holistically between all registered developments and development growth projections.

1.2.4. SURFACE WATERBODIES WATER QUALITY

- 1.2.4.1. Where Sustainable Drainage Systems ('SuDS') and other drainage features are proposed across the cumulative developments, it is likely that the cumulative developments would recognise a benefit in terms of water quality, urban cooling, public amenity/ perception and biodiversity.
- 1.2.4.2. During construction risks associated to surface water feature contamination and pollution will typically be managed through Construction Environmental Management Plans.

1.2.5. HUMAN RECEPTORS AS A CONSEQUENCE OF FLOOD RISK

- 1.2.5.1. Demonstrating the management of surface water and other forms of flood risk to ensure flood risk is not increased on or off-site is typically required as part of a site-specific Flood Risk Assessment where a specific source of flood risk is present or for any major development.
- 1.2.5.2. This is to ensure surface water and other forms of flood risk are appropriately managed, therefore any cumulative effects would have a negligible impact if other developments have appropriately incorporated flood risk management into their design.

1.2.6. FLOOD DEFENCES

- 1.2.6.1. No cumulative impacts are expected with any proposed or completed coastal flood defence schemes as each scheme should ensure flood risk is appropriately managed on and off site during both construction and operation and ensure appropriate practices are adopted to ensure there are no negative impacts on water quality (including development ID: 12, 13, 18, 24, 62, 66 and 74).
- 1.2.6.2. Section 20.5.5 of Chapter 20 (Surface Water Resources and Flood Risk) provides a summary of the flood defences present within the Order Limits which are considered thereafter and within Appendix 20.4 (Flood Risk Assessment) ('FRA') of the ES Volume 3 (document reference 6.3.20.4). The flood defences are further considered as part of the Proposed Development in relation to the interaction of the Proposed Development with the existing and current future proposed coastal flood defence schemes.
- 1.2.6.3. Discussions with East Solent Coastal Partnership, as detailed in Appendix 20.1 (Consultation Responses), have been on-going to discuss the practicability of the: construction programme, scheme alignment, and interactions between the Proposed Development and the flood defence schemes.

- 1.2.6.4. These discussions have informed the Proposed Development, and where the Proposed Development is in close proximity to the coastal flood defences; detailed design will demonstrate the proposed works would not compromise the existing and current proposed coastal flood defences subject to relevant environmental permitting/consenting.

Table 1 – Stage 1 & 2 CEA Matrix for Surface Water Resources and Flood Risk

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
COMMITTED DEVELOPMENTS CONSIDERED IN THE 2019 ES (DOCUMENT REFERENCE 6.3.20.5):											
1	Land rear of 185-189A Lovedean Lane, Horndean, Waterlooville (54596/001)	Outline application with some matters reserved for 40 residential dwellings (mix of 1, 2, 3, and 4 bed) with associated amenity space and road network with access from Lovedean Lane via existing access	0.69 km to east of the Order Limits	Granted Outline (15/09/2014)	Tier 4	No	No	Construction commenced March 2017. Construction likely to be completed by the start of construction works.	n/a	n/a	No
2	Land rear of, 179-189A Lovedean Lane, Horndean, Waterlooville (54596/002)	Reserved matters application pursuant to 54596/001 for dwellings and discharge of condition 7 of 54596/001 as revised by plans and details received on 3 March 16	0.69 km to east of the Order Limits	Granted Reserved Matters (29/04/2018)	Tier 4	No	No	Unknown but unlikely overlap of construction programmes.	n/a	n/a	No
3	Development land east of Horndean, Rowlands Castle Road, Horndean, Waterlooville (55562/001)	Outline planning application with all matters reserved (except for access to the highway network and associated off-site highway improvements) for the demolition of existing buildings and the development of a maximum of 700 dwellings, approximately 1.7 Ha of employment land, a Local Centre (including local retail, a primary school and community facilities), a Care Village, playing pitches, a cricket pavilion (including associated access and parking), allotments (including	2.52 km east of the Order Limits	Granted Outline (05/02/2016) Site bought by Bloor Homes who submitted request for a new Scoping Opinion in August 2018 (55562/004) Consent lapsed. A number of new	Tier 1	No	No	Unknown but possible construction overlap	n/a	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
		associated building and car parking), acoustic bunds and ecological buffers together with internal access network (including footpaths and cycleways), drainage works, associated landscaping and open space (including play areas). Under the current programme, it is expected that construction will take place between 2016 and 2020.		outline applications submitted at the site (ID 3a, 3c, 3d and 3e). Application 3b has been withdrawn since the 2020 ES Addendum.							
4	Former Purbrook Park Playing Fields, Stakes Road, WaterlooVille (APP/12/00205)	Construction of 76 No. dwellings consisting of 3 No. 2 bed, 38 No. 3 bed, 23 No. 4 bed houses and 12 No. 2 bed flats with associated parking, landscaping including open space and play area, and pumping station. New vehicular access to Stakes Road and new pedestrian access to Stakes Hill Road.	0.96 km East of the Order Limits	Granted Full (03/08/2012) Construction complete – these sites were considered as baseline receptors in the 2019 ES.	n/a	No	No	Construction complete	n/a	n/a	No
5	Purbrook School Former Playing Fields, Stakes Road, WaterlooVille APP/16/00347	Erection of 26 residential units with associated works, access parking and landscaping.	0.96 km East of the Order Limit	Granted Full (13/01/2017) Construction complete – these sites were considered as baseline receptors in the 2019 ES.		No	No	Construction complete	n/a	n/a	No
6	Purbrook Park School, Park Avenue,	Construction of new two storey school building (Block A), two storey school building to courtyard (Block B), refurbishment to Block D, raised	0.42km to the east of the Order Limits	Granted Full (16/04/2014)	n/a	No	No	Construction complete	n/a	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
	Waterlooville, PO7 5DS (APP/14/00687)	covered walkways, new pedestrian access to main entrance and new Block A, altered and additional car parking, landscaping and other works. Demolition of two storey Caretakers house Works now completed.		Construction complete – these sites were considered as baseline receptors in the 2019 ES.							
7	108 London Road, Widley, Waterlooville, PO7 5AA (APP/17/01009)	Subdivision of plot to provide a further 2 bedroom dwelling with access from London Road.	Western boundary adjacent (0.18km) to the Order Limits	Granted Full (08/01/2018) Construction not yet started.	Tier 4	Yes	Yes	Unknown but possible construction overlap	Scale not expected to give rise to any cumulative effects.	n/a	No
8	Land at 38-44 London Road, Purbrook (APP/17/01141)	Construction of 43 retirement apartments for older persons including communal facilities, parking, associated landscaping with access from Stakes Road and 2 commercial / residential units fronting London Road.	Western boundary adjacent (0.40km) to the Order Limits.	Granted Full (21/12/2017) Construction not yet started	Tier 4	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
9	Woodcroft Farm Development Site, Woodcroft Lane, Waterlooville (APP/13/00804)	Development of 288 residential units, retention of existing farmhouse, new access road from Eagle Avenue	0.79 km to south-east of Order Limits	Granted Full (05/05/2015) Under construction Phase 1 infrastructure	Tier 1	No	No	Unknown but possible construction overlap	n/a	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
				works consisting of bridleway improvements were completed in 2017. Phase 2A and 2B complete. Phase 3 under construction							
10	Waterlooville Swimming Pool, Waterberry Drive, Waterlooville, PO7 7UW (APP/17/00295)	Hybrid Application: Full planning permission for reconfiguration of existing car park and development of single storey deck car parking. Outline planning permission for future extension on current footprint of overflow carpark at Waterlooville Leisure Centre for access and layout with all other matters reserved.	Northern boundary adjacent (0.40km) to the Order Limits	Granted Full / Outline (01/07/2017) Construction not started.	Tier 1	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
11	Former BAE Systems, Waterloo Park, Elettra Avenue, Waterlooville (APP/18/01072)	Outline planning application with all matters, apart from access, reserved for development of office, storage, industrial, hotel, leisure and restaurant uses.	Eastern boundary adjacent to the Order Limits	Registered and awaiting decision Granted Full (15/10/21) Construction not yet started	Tier 1	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
12	Coastline between Ports Creek Railway Bridge and Kendall’s Wharf, Portsmouth, PO3 5LY (14/01387/FUL)	Construction of new coastal defences consisting of raised earth embankments with rock armour on the seaward side, together with wave walls to abut the A2030 Eastern Road bridge to tie into the new embankments (along the alignment of the existing coastal defences), and associated landscaped works including a shared footpath constructed along the full length of the new embankment.	Boundary adjacent to the Order Limits	Granted Full (13/02/2015) Under construction	Tier 4	Yes	Yes	Construction overlap unlikely	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 and paragraph of this report)	n/a	No
13	Coastal Defences Fort Cumberland, Fort Cumberland Road, Southsea, PO4 9LJ (16/00255/FUL)	Replacement of existing coastal sea defences with rock revetment.	0.47 km to east of the Order Limits	Granted Full (22/06/2016) Construction complete – these sites were considered as baseline receptors in the 2019 ES.	Tier 1	Yes	Yes	Construction complete	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
14	West Wing St. Marys Hospital Milton Road Portsmouth PO3 6AD 11/00250/OUT	Construction of 2 and 3 storey buildings comprising 191 dwellings and a 2 storey 60 bed care home with associated estate roads/parking areas/open space and landscaping after demolition of existing buildings. Outline with all matters reserved.	0.57 km to west of the Order Limits	Granted Outline (29/03/2012) Granted Conditional Outline (29/03/2012) 13/01120/REM for 191 dwellings and	Tier 1	No	No	Construction complete	n/a	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
				care home approved (15/02/2014). Complete 14/01121/REM for care home approved (19/11/2014). Complete							
15	Tesco Fratton Way, Southsea, PO4 8FA (14/00128/FUL)	Construction of a Retail Store (Use Class A1) of up to 10,475sqm GEA, Petrol Filling Station (Sui Generis) with an associated kiosk up to 86sqm GEA, canopy and jet wash, new access/egress arrangements, car parking including replacement Stadium car parking, service yard, highway and footpath works, landscaping, and other associated works (after demolition of existing structures).	0.70 km to west of the Order Limits	Granted Full (19/02/2014) Construction complete – these sites were considered as baseline receptors in the 2019 ES.	n/a	No	No	Construction complete	n/a	n/a	No
16	Former Kingston Prison, Milton Road, Portsmouth, PO3 6AS 16/00085/FUL	Redevelopment of former prison comprising: part demolition and conversion of listed buildings to provide 73 dwellings and commercial unit (within Class A1 or Class A3); demolition of non-listed structures; construction of five blocks of between three and seven stories to provide 157 dwellings; part demolition of listed prison wall and formation of new	0.69 km to west of the Order Limits	Granted Full (02/02/2017) Construction not yet started. Amended proposals submitted granted 29/08/19) (ref. 18/01868/FUL)	Tier 1	No	No	Unknown but possible construction overlap	n/a	n/a	No

'Other Development' Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for 'other development' and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
		vehicular accesses to Milton Road and St Marys Road; and provision of car parking and associated landscaping and other works. Construction not yet started.		Under construction							
17	Voyager Park, Portfield Road, Portsmouth, PO3 5FJ (11/00822/VOC as varied by 12/00159/VOC)	Development of site for offices/industry/warehousing/distribution (Classes B1/B2 and B8) (Outline) with variation to condition 17 of planning permission 11/00822/VOC to allow the construction of up to 40,000sqm gross floorspace.	1.07 km to west of the Order Limits	Granted Outline (04/04/2012) Numerous Reserved Matters applications submitted for individual units. Largely constructed.	Tier 1	No	No	Unlikely construction overlap	n/a	n/a	No
18	Milton Common, Eastern Road, Portsmouth (15/01769/FUL)	Construction of new coastal defences consisting of a rock revetment along the seaward side of Milton Common and three earth bunds on Milton Common together with the demolition of Great Salterns Quay and associated landscaping works.	Adjacent to Order Limits	Granted Full (04/02/2016) Construction complete – these sites were considered as baseline receptors in the 2019 ES.	n/a	Yes	Yes	Construction complete	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
19	Land adjacent to 291 Locksway Road, Southsea	Construction of three-storey building to form three flats with associated parking, cycle and refuse storage	Within Order Limits	Granted Full (23/10/2015) Under construction	Tier 1	Yes	Yes	Unlikely construction overlap	Due to typical planning and regulatory requirements	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
	(15/01330/FUL)								no-cumulative effects expected (See Section 1.2 of this report)		
20	Land adj 1A Eveleigh Road, Portsmouth, PO6 1DH 16/01588/FUL	Construction of new two-storey dwelling	Western boundary of site directly adjacent the Order Limits	Granted Full (24/11/2016) Construction not yet started	Tier 4	Yes	Yes	Unknown but possible construction overlap	Scale not expected to give rise to any cumulative effects.	n/a	No
21	Portsmouth Park Hotel, Eastern Road, Portsmouth, PO6 1UN (16/00522/FUL)	Construction of 2 single storey buildings to form restaurant / takeaway with drive-thru (Use Class A3/A5) and coffee shop / café (Use Class A1/A3) with drive-thru with associated car parking and landscaping and alterations to existing hotel car park and circulation and realignment of existing access roads	Within the Order Limits.	Granted Full (31/08/2016) Construction not yet started	Tier 1	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
22	Little Brandon, Portsdown Hill Road, Portsmouth, PO6 1BE (18/00053/FUL)	Construction of five-bedroom dwelling house	Southern Boundary of site directly adjacent (0.04 km) to Order Limits	Granted Full (21/03/2018) Construction not yet started. Under construction	Tier 1	Yes	Yes	Unknown but possible construction overlap	Scale not expected to give rise to any cumulative effects.	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
23	Former Dairy Site, Station Road, Portsmouth, PO6 1PL (17/00224/OUT)	Outline application for the construction of up to 108 dwellings (principle of access only to be considered).	0.2 km to north-west of the Order Limits	Granted Full (22/03/2018) Several reserved matters and discharge of condition applications have been submitted, the latest was 12/10/22. Largely constructed	Tier 1	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
24	Kendalls Wharf, Eastern Road, Portsmouth, PO3 5LY 17/01676/FUL	Construction of 50m quay wall as a continuation of the existing quay wall and provision of rock armouring at northern end to form a revetment; and construction of a 4m by 4m dolphin structure with linking walkway 25m south of existing quay. Works are expected to take 3 to 4 months to complete. Works would aim to commence on 1 April. Dredging works are proposed to be undertaken during late May or early June.	0.04 km east of the Order Limits	To be decided (Determination period expired 27/11/2017) Withdrawn (31/05/21)	Tier 4	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report)	n/a	No
25	Langstone Harbour Sports Ground, Eastern Road, Portsmouth (17/00182/FUL)	Construction of club house (on land adjacent to football pitch)	Within the Order Limits	Granted Full (03/07/2017)	Tier 4	Yes	Yes	Unlikely construction overlap	Scale not expected to give rise to any	n/a	No

'Other Development' Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for 'other development' and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
				Under construction. Anticipated to be near completion.					cumulative effects.		
26	170 Milton Road, Portsmouth, PO4 8PN (17/01097/FUL)	Construction of 3-storey building to form 9 flats with associated parking, refuse/cycle stores and landscaping, following demolition of existing building	0.7 km south-west of Order Limits	Granted Full (25/06/2018) Construction not yet started	Tier 4	No	No	Unknown but possible construction overlap	n/a	n/a	No
27	Land to north of Harbourside Holiday and Lodge Park, Eastern Road, Portsmouth, PO3 6QB (18/01182/FUL)	Change of use of enclosed area of unused land to form an extension to the existing Harbourside Holiday Park adjoining to the south	Eastern boundary directly adjacent to the Order Limits	To be decided (Determination period expired 24/09/2018) Granted conditional approval (07/01/22) Construction not yet started	Tier 1	Yes	Yes	Unknown but possible construction overlap	Scale not expected to give rise to any cumulative effects.	n/a	No
28	St James Hospital, Locksway Road, Southsea, PO4 8HW (18/00288/OUT)	Outline application for the construction of 107 dwellings including provision of vehicular and pedestrian access, public open space and hard and soft landscaping Construction of 4 years anticipated, commencing in 2018 and completing in 2021.	Adjacent (0.02 km) to north-west boundary of the Order Limits	To be decided (Determination period expired 31/12/2018)	Tier 1	Yes	Yes	Unknown but possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section	n/a	No

‘Other Development’ Details						Stage 1		Stage 2			
ID	Application Name and Reference	Applicant for ‘other development’ and brief description	Distance from project	Status	Tier	Within ZOI?	Progress to Stage 2	Overlap in temporal scope?	Scale and Nature of development likely to have a significant effect?	Other Factors	Progress to Stage 3 / 4?
									1.2 of this report)		
29	Admiral Lord Nelson School, Dundas Lane, Portsmouth, PO3 5XT (18/01891/FUL)	Construction of single storey front extension to include 10 additional classrooms and new sports pitches	0.34 km west of the Order Limits	Granted Full (07/06/2019)	Tier 4	No	No	Unknown but possible construction overlap	n/a	n/a	No
30	Unit 5, Interchange Park, Robinson Way, Portsmouth, PO3 5QD (18/01027/FUL)	Construction of building of 3004 sqm (GEA) for use within light or general industrial purposes (B1 or B2) or storage and distribution (B8)	0.17 km to west of the Order Limits	Granted Full (01/04/2019) Construction not yet started	Tier 4	Yes	Yes	Unknown but possible construction overlap	Scale not expected to give rise to any cumulative effects.	n/a	No

62b	North Portsea Island Coastal Flood Defence Scheme, Eastern Road and Kendall’s Wharf (19/00706/FUL – Phase 4a, Granted conditional permission 25/07/2019) (19/01368/FUL – Phase 4b. Granted Full 20/02/2020)	Phase 4 of the North Portsea Island Coastal Flood Defence Scheme is a combination of two distinct sections: Kendall’s Wharf and Eastern Road. The full length of the frontage is 2,4 km (300 m for Kendall’s Wharf and 2,1 km for Eastern Road). The sea defences are being raised to +4,8 m AOD along the frontage to accommodate a 1 in 500 Standard of Protection (SOP). The road raising and steel sheet piles of Kendall’s Wharf works will be raised to a lower level as set back from the coast. The Kendall’s Wharf defences tie in with Anchorage park embankment defences (constructed in 2016) in the North and are set landward of Kendall’s Wharf aggregates, who are responsible for their own flood protection. The first c. 150 m of sea defence will be a raised earth embankment with a 3 m crest and continuation of the 2 m wide coastal	Southern boundary of site adjacent to Order Limits	Emerging - contract out for tender. Documentation for bidders was due for submission by 29/06/18 Kendall’s Wharf - Target commencement 09/2019. Target completion 04/2020. Eastern Road seawall – Target commencement 04/2020. Target completion 10/2022.	Tier 1	Yes	Yes	Unknown, however possible construction overlap	Due to typical planning and regulatory requirements no cumulative effects expected (See Section 1.2 of this report).	n/a	No
